Aug'23- Mar'24

## DIRECTOR'S DESK

Bhai Gurdas Institute of Engineering & Technology has a long legacy in Northern India of imparting education to move from thinking about the greatest problems affecting society to understanding and solving them, and this has been our long-standing vision. We are made of state-of-the-art engineering and scientific infrastructure, cultivating highly motivated teachers and staff members to enable students take advantage of one another's innovations and advance the Institute.

This newsletter's launch is the product of your assurance, imagination, and invention. One of the top independently funded colleges in northern India is the BGIET. This is mainly because the college places a lot of importance on the teaching-learning process. Regular visitors to BGIET include thought leaders and speakers from the business world who engage the students. Digital media has grown significantly, as we are all aware. It has created a whole new world of opportunities.

I'm happy to see that the team has taken advantage of this trend and effectively tapped into it through the creation of this newsletter. I'm particularly happy that this connection will allow us to build relationships with our alumni, who are making a big difference in the world and helping BGGI become more and more well-known. You are all welcome to participate in the initiative with us. I want to thank the entire team once more and wish them luck in making this a significant step in BGIET's digital transformation. Our goal is to become one of the greatest college for engineering education in the nation by continually enhancing our performance, encouraging brilliance.

# BGIET NEWS LETTER

# Induction Program

The Institute have been conducting the induction program for students every year. The induction program is conducted at the beginning of each academic session for the all the newly admitted students. The induction program includes several activities such as Mentoring and Universal Human Values: It gets the students to explore oneself and allows one to experience the joy of learning, stand upto peer pressure, take decisions with courage, be awareof relationships with colleagues and supporting staff in the hostel and department, be sensitive to others, etc. and A module in Universal Human Values provides the base for student's character building. A faculty member is allotted to each class, who also acts as a mentor for the students of that class.

## Teacher's Day

BGIET Celebrated Teachers day in the presence of faculty members of computer Science department. No matter how old we grow, the lessons taught by our teachers can never be forgotten. They build the foundation for our moral values and nurture children with their love and care. This Teachers day, tell your lovable teachers how much you adore them. Feel proud and honored to celebrate Teacher'sday.

## Plantation Drive

The true meaning of life is to plant trees, under whose shade you do not expect to sit. The N.S.S camp was organized in BGIET, Sangrur on 15 September 2021. Hon'ble Chairman Dr.Guninderjit Singh Jawandha and Director Dr. Tanuja Srivastava along with other faculty members took part in planting sapling. Dr. Tanuja Srivastava also enlighten the students about the significance of planting trees and with her motivational speech, students of BGIET also promised that they will also plant more and more trees and make this mother nature better place for the upcoming generation.

## Engineer's Day

Bhai Gurdas Group of Institutions celebrated on 21 sep.2023Engineers' Day with great zeal, honoring the legacy of Sir Mokshagundam Visvesvaraya. The highlight of this day was a motivational program by the Brahma Kumaris on "Moral Values and Positive Thinking." Engineers were reminded that besides technical prowess, ethical values and positive mindset are vital. This event underscored our commitment to nurturing engineers who not only innovate but also uphold moral standards, ensuring a brighter future for society. It was a day of inspiration and reflection, emphasizing that engineers are not just builders but also guardians of ethics.

## Prarambh

The purpose of Freshers' Party is to welcome new students in a friendly atmosphere and to encourage their creative impulses to boost their confidence. It is the day where seniors and juniors finally bond and unite to celebrate being part of the college. Students of First Year were welcomed with red rose to this party. The program started with lamp lightening and inaugural speech by Hon'ble Director, Dr. Tanuja Srivastava for the fresher's. Various activities were performed by the senior as well as junior students like dancing singing, ramp walking etc.

Students enjoyed each and every second of that party. After that pictures were clicked by the students with each other and with their respective teachers. In the presence of respected Chairman Sir, Dr.Guninderjit Singh Jawandha, Managing Director Suvreet Kaur Jawandha and Director Tanuja Srivastava, fresher's day is celebrated in BGIET.

## Hand ball

Sports are an essential part of our lives. For the all-round development of our personality, we must take up a sport and follow it, without a break. To make students aware of the need to play various sports, colleges have a compulsory subject on sports and physical education. Our institute organized this year's sports day. The responsibility of the sports day was taken by the sports teacher and the student's organization. The preparations for the sports day began 2 weeks before the actual event. The organizing committee prepared the list sports and games that are to be played, the number categories and number of prizes in each category, and took the permission from our director for it. On sports day Dr. Tanuja Srivastava director of BGIET, Sangrur encouraged students to take part in games and motivated them to live a healthy life.

## Industrial Training

Industrial Visit for first year B.Tech students was organized. In this training, students were given precise understanding of how the actual industry works and also helping them to get inspired by their management skills and leadership qualities. It equips students to get hands-on training on the latest technologies and trends in the industry. Also providing student opportunities to experience the working of the real machines, workstations, systems, plants, assembly lines, etc.

# 11th International Conference

On the second valedictory day of the 11th International Conference on Advancements in Engineering and Technology (ICAET-2023), the esteemed gathering was graced by the presence of two distinguished personalities in the field of academia: Dr. Manjeet Singh Patterh, Dean Research at Punjabi University, Patiala, and Dr. Vikas Chawla, Dean Academics at I.K. Gujral Punjab Technical University, Jalandhar.

The day commenced with the Six Technical Sessions of ICAET-2023, a platform that showcased a myriad of cutting-edge research and technological advancements. Scholars and experts from across the country converged to present their oral presentations, fostering an environment of intellectual exchange and collaborative learning.

**Dr. Manjeet Singh Patterh, Dean Research at Punjabi University, Patiala**, with his experience and scholarly achievements, emphasized the pivotal role of research in shaping the future of engineering and technology.

Dr. Vikas Chawla, Dean Academics at I.K. Gujral Punjab Technical University, Jalandhar, shared his perspective on the evolving landscape of academic excellence in engineering and technology.

The highlight of the event was the recognition of outstanding contributions through the Best Paper Award for the technical Sessions. Dr. Manjeet Singh Patterh and Dr. Vikas Chawla jointly presented this prestigious accolade to deserving participants, acknowledging their exceptional research and impactful presentations. The conference not only celebrated the achievements of the present but also paved the way for a future where engineering and technology continue to push the boundaries of innovation.

## ISTE faculty convention

The special feature of this inaugural session was, I.S.T.E. Faculty Convention organized in which the best teachers of about 40 educational institutions of North India were awarded with the Best Teacher award. In this, 48 teachers were distributed best teacher certificates and shields by the chief guest. 5 teachers of Bhai Gurdas Engineering College were also awarded with this honour. In this opening speech, Prof (Dr) Tanuja Srivastava, Campus Director highlighted the quality education imparted in Bhai Gurdas Group. Dr. Buta Singh Sidhu Vice Chancellor, Maharaja Ranjit Singh Punjab Technical University, Bathinda in his speech praised the program organized by Bhai Gurdas Institution of Engineering and Technology, Sangrur and appreciated the organizers for maintaining the continuity of the international conference held

every year. He said Bhai Gurdas Institution of Engineering and Technology, Sangrur is the pride of Malwa which has always maintained its academic standard, the proof of this is that 5 teachers of this institution have been selected for the Best Teacher Award

On this occasion, during a meeting, Dr. Guninderjit Singh Jawandha, Chairman Bhai Gurdas Group said that promoting quality education as well as quality research is our first objective. This international conference is also a part of these efforts. He further said that ISTE selected 5 of our teachers for Best Teacher He congratulated the organizers on this occasion and also offered good wishes for such successful work. On this occasion Madam Baljinder Kaur Jawandha, Secretary Bhai Gurdas Group and Dr. Suvereet Kaur Jawandha, MD, Bhai Gurdas Group also congratulated the organizers and honored the teachers.

## New year celebration

Celebrated New Year at Bgi et with a special event honoring our late Founder Chairman, Advocate Hakam Singh Jawandha. Dr. Guninderjit Singh Jawandha and Madam Baljinder Kaur Jawandha actively participated. Campus Director Dr. Tanuja Srivastava and principals attended, featuring Shabad Gayan and vibrant student performances. In tribute to S. Hakam Singh Jawandha, the Chairman cut the cake. Dr. Tanuja acknowledged the founder's contributions, and Dr. Guninderjit emphasized the institution's commitment to student development and urged placement coordinators. Warm clothes were distributed to fourth class employees. Dr. Suvreet Kaur Jawandha, MD, and Executive Director, conveyed congratulatory messages. Happy New Year 2023.

## Lohri celebration

Lohri and Makar Sankranti Celebration at BGGI. BGGI welcomed the season of harvest with new hopes and learnings, we wish our #bggfamily a very happy Lohri and Makar Sankranti. The main attraction of the celebration was the huge Bonfire. The bonfire was lit and everyone gathered around to sing and dance. A number of rituals were performed like throwing of sesame seeds, gur, rewerries, popcorns, gazak and other items in the holy fire. The Bonfire ceremony was followed by kite flying competition among students. They participated with great

zeal and fervor. The ceremony was then followed by DJ party.

## National youth day

The National Youth Day is being celebrated on January 12 to commemorate the birth anniversary of Swami Vivekananda. In 1984, the Indian government declared Swamiji's birth anniversary as National Youth Day and since 1985, it has been celebrated to honor and recognize Vivekananda's teachings.

Bhai Gurdas Group of Institute, Sangrur has celebrated the "National Youth Day-2021" on January 12, 2021, to commemorate the birth anniversary of the great Indian Youth icon Swami Vivekananda.

On this occasion, to commemorate his work done and to take his inspiration from his ideals, BGGI organized an online essay writing competition on the theme "Youth Power towards nation-building and universal brotherhood" and virtual poster competition for all the students of BGGI. A total of five posters and three essays received were evaluated and the best were then awarded with certificates.

Further, the ideas on the education of Swami Vivekananda were shared in institutional social media.

## Placement Drive

The renowned company Sach Tech Pvt Ltd conducted recruitment drives at Bhai Gurdas Institute of Engineering and Technology, Sangrur and selected 10 students from Computer Science Engineering, which opened new gates of success. Hon'ble Chairman Dr. Guninderjit Singh Jawandha felicitated the selected students and said that BGIET testimonies the hard work and innovative thinking by working on the ultimate focus of providing the best placements

## Placement Drive

32 Students have secured placement offers from Sach Tech Pvt. Ltd., Finndit and Sensation Software Solution Pvt. Ltd., BGIET is owing to the impeccable placement of graduates at multi-national corporations. BGIET is establishing dominance in placements and creating benchmark. We look forward to our brilliant Engineering making new strides in the careers and inspiring others to strive for excellence.

## Industrial Visit

MBA 1st semester of Bhai Gurdas Institute of Engineering and Technologys visited Verka Milk Plant, Sangrur on Industrial Visit. Industrial visit provide practical exposure to students of course curriculum. It will enhance their knowledge by learning things physically

## Workshop

A workshop on BFIC by Bajaj Fintech has been organised today for final year of MBA. Workshop is chaired by Mr. Kanwal Jeet. The workshop is about the core sector of Indian Economy i.e. financial services. It gives, students of management courses, the view to bring potential in themselves to outperform the markets in coming days of fast competition. Mr. Kanwal jeet also aware the students about the core competencies they have to create in themselves to get lucrative jobs and business opportunities.

## Industrial Visit

BGIET organized industrial Visit for Students of Electrical Engineering. BGIET is well known about excellent product in terms of technology and esthetics. A very professional, qualified and experienced vendor for all of electric controls. The students of electrical engineering visited Marahar power controls pvt. Ltd Dhuri, the pioneer industry in the region which provides industrial solutions in the field of electrical turn key projects. The students visited various departments in the industry and got exposure of different aspects in the field of electrical panel design simulation and panel erections.

## Group Activities

To promote the skills and to teach the students leadership qualities, MBA department has engaged students in various management games like Show me the path and Ad -mad show.

## Faculty Development Program

**AICTE-ISTE Sponsored**  
**One Week Induction/Refresher Programme**  
"Current Trends in Food science & Technology"  
(10th -16th February, 2022)

Dr. Guninderjit Singh Jawandha  
Chairman, BCCI,  
Sangrur  
Chief Patron

Dr. (Prof) Tanuja Srivastava  
Director, BGIET,  
Sangrur  
Patron &  
Coordinator

Dr. (Prof) Padam Prakash Gotwail  
Chief Scientist &  
Regional Head,  
CFTRI  
Chief Guest

Organized by:  
Department of Food Technology  
Bhai Gurdas Institute of Engineering & Technology  
(Approved by AICTE (Govt. of India), Govt. of Punjab and affiliated with IKGPTU University, Jalandhar)

**Bhai Gurdas Institute of Engineering & Technology**  
E-mail: info@bgi.ac.in Website: www.bgi.ac.in

BGIET has organized an online faculty development Program on **"Current trends in Food Science and Technology"** sponsored by AICTE-ISTE from 10th - 16th February 2022.

Leading experts shared their perspective in the event and interested participants registered themselves on or before 5pm Wednesday 9 Feb 2022.

Event link was shared with the registered participants via e-mail and e-certificates will be awarded.
