

BGIET NEWS

Aug'21- July'22

DIRECTOR'S DESK

Bhai Gurdas Institute of Engineering & Technology has a long legacy in Northern India of imparting education to move from thinking about the greatest problems affecting society to understanding and solving them, and this has been our long-standing vision. We are made of state-of-the-art engineering and scientific infrastructure, cultivating highly motivated teachers and staff members to enable students take advantage of one another's innovations and advance the Institute.

This newsletter's launch is the product of your assurance, imagination, and invention. One of the top independently funded colleges in northern India is the BGIET. This is mainly because the

college places a lot of importance on the teaching-learning process. Regular visitors to BGIET include thought leaders and speakers from the business world who engage the students. Digital media has grown significantly, as we are all aware. It has created a whole new world of opportunities.

I'm happy to see that the team has taken advantage of this trend and effectively tapped into it through the creation of this newsletter. I'm particularly happy that this connection will allow us to build relationships with our alumni, who are making a big difference in the world and helping BGGI become more and more well-known. You are all welcome to participate in the initiative with us. I want to thank the entire team once more and wish them luck in making this a significant step in BGGI's digital transformation. Our goal is to become one of the greatest college for engineering education in the nation by continually enhancing our performance, encouraging brilliance.

Best wishes

Prof. (Dr.) Tanuja Srivastava
Director

INSTITUTIONAL ACTIVITIES

Induction Program

The Institute have been conducting the induction program for students every year. The induction program is conducted at the beginning of each academic session for the all the newly admitted students. The induction program includes several activities such as Mentoring and Universal Human Values: It gets the students to explore oneself and allows one to experience the joy of learning, stand up to peer pressure, take decisions with courage, be aware of relationships with colleagues and supporting staff in the hostel and department, be sensitive to others, etc.

and A module in Universal Human Values provides the base for student's character building. A faculty member is allotted to each class, who also acts as a mentor for the students of that class.

Teacher's Day

BGIET Celebrated Teachers day in the presence of faculty members of computer Science department. No matter how old we grow, the lessons taught by our teachers can never be forgotten. They build the foundation for our moral values and nurture children with their love and care. This Teachers day, tell your lovable teachers how much you adore them. Feel proud and honored to celebrate Teacher's day.

Plantation Drive

The true meaning of life is to plant trees, under whose shade you do not expect to sit. The N.S.S camp was organized in BGIET, Sangrur on 15 September 2021. Hon'ble Chairman Dr.Guninderjit Singh Jawandha and Director Dr. Tanuja Srivastava along with other faculty members took part in planting sapling. Dr. Tanuja Srivastava also enlighten the students about the significance of planting trees and with her motivational speech, students of BGIET also promised that they will also plant more and more trees and make this mother nature better place for the upcoming generation.

Engineer's Day

On the occasion of 56th Engineer's Day, Department of Electrical Engineering, Bhai Gurdas Institute of Engineering and Technology organizing a webinar Lecture series. The keynote speakers for the sessions are Dr. N.R. Shankar, Manager R&D solutions, Chennai and Dr. Ashish Sharma, Professor, EED, CU, Chandigarh. The session would be presided by Dr. Tanuja Srivastava, Director BGIET, Sangrur

Fresher's Day

The purpose of Fresher's Party is to welcome new students in a friendly atmosphere and to encourage their creative impulses to boost their confidence. It is the day where seniors and juniors finally bond and unite to celebrate being part of the college. Students of First Year were welcomed with red rose to this party. The program started with lamp lightening and inaugural speech by Hon'ble Director, Dr. Tanuja Srivastava for the fresher's. Various activities were performed by the senior as well as junior students like dancing singing, ramp walking etc.

Students enjoyed each and every second of that party. After that pictures were clicked by the students with each other and with their respective teachers. In the presence of respected Chairman Sir, Dr.Guninderjit Singh, Managing Director Suvreet Kaur Jawandha and Director Tanuja Srivastava, fresher's day is celebrated in BGIET.

Sports Meet

Sports are an essential part of our lives. For the all-round development of our personality, we must take up a sport and follow it, without a break. To make students aware of the need to play various sports, colleges have a compulsory subject on sports and physical education. Our institute organized this year's sports day .The responsibility of the sports day was taken by the sports teacher and the student's organization. The preparations for the sports day began 2 weeks before the actual event. The organizing committee prepared

the list sports and games that are to be played, the number categories and number of prizes in each category, and took the permission from our director for it On sports day Dr. Tanuja Srivastava director of BGIET, Sangrur encouraged students to take part in games and motivated them to live a healthy life.

Industrial Training

Industrial Visit for first year B.Tech students were organized. In this training, students were given precise understanding of how the actual industry works and also helping them to get inspired by their management

skills and leadership qualities. It equips students to get hands-on training on the latest technologies and trends in the industry. Also providing students opportunities to experience the working of the real machines, workstations, systems, plants, assembly lines, etc.

Placement Drive

The renowned company Sach Tech Pvt Ltd conducted recruitment drives at Bhai Gurdas Institute of Engineering and Technology, Sangrur and selected 10 students from Computer Science Engineering, which opened new gates of success. Hon'ble Chairman Dr. Guninderjit Singh Jawandha felicitated the selected students and said that BGIET testimonies the hard work and innovative thinking by working on the ultimate focus of providing the best placements

Placement Drive

32 Students have secured placement offers from Sach Tech Pvt. Ltd., Finndit and Sensation Software Solution Pvt. Ltd., BGIET is owing to the impeccable placement of graduates at multi-national corporations. BGIET is establishing dominance in placements and creating benchmark. We look forward to our brilliant Engineering making new strides in the careers and inspiring others to strive for excellence.

Industrial Visit

MBA 1st semester of Bhai Gurdas Institute of Engineering and Technologys visited Verka Milk Plant, Sangrur on Industrial Visit. Industrial visit provide practical exposure to students of course curriculum. It will enhance their knowledge by learning things physically

Workshop

A workshop on BFIC by Bajaj Fintech has been organised today for final year of MBA. Workshop is chaired by Mr. Kanwal Jeet. The workshop is about the core sector of Indian Economy i.e. financial services. It gives, students of management courses, the view to bring potential in themselves to outperform the markets in coming days of fast competition. Mr. Kanwal jeet also aware the students about the core competencies they have to create in themselves to get lucrative jobs and business opportunities.

Industrial Visit

BGIET organized industrial Visit for Students of Electrical Engineering. BGIET is well known about excellent product in terms of technology and esthetics. A very professional, qualified and experienced vendor for all of electric controls. The students of electrical engineering visited Marahar power controls pvt. Ltd Dhuri, the pioneer industry in the region which provides industrial solutions in the field of electrical turn key projects. The students visited various departments in the industry and got exposure of different aspects in the field of electrical panel design simulation and panel erections.

Group Activities

To promote the skills and to teach the students leadership qualities, MBA department has engaged students in various management games like Show me the path and Ad -mad show.

New Year Celebration

BGIET celebrated New Year in Remembrance of S. Hakam Singh Jawandha Founder Chairman, BGGI. A New Year means 365 new opportunities. Make sure to make the best use of it! Happy New Year. Forget the short comings of the previous year and embrace this fresh start with utmost zeal. Welcome this year with renewed hope and high spirit! Wishing everyone Happy New Year 2022. January 1, 2022 BGIET, Sangrur the students, faculties and members of BGIET celebrated new year for the year 2022 in the college campus on January 1. The program commenced with a warm welcome and cake cutting ceremony and marks the arrival of fresh New Year by bidding goodbye to the previous year 2021. All the

members of BGIET were cordially invited to join the program. The program was graced by the presence of Dr. Guninderjit Singh Jawandha, Hon'ble Chairman, Madam Baljinder Kaur Jawandha, Secretary, along with family members Japhar Jawandha and Ranvijayjot Singh Jawandha. The campus was beautifully embellished with colorful rangoli's, light and lamps. Students were elegantly dressed in traditional attires; the environment of the campus was filled with great fervor. Students organized a small cultural program Bengali Dance, Nepali Dance, Punjabi song; Comedy received thunders of applause from the audience. The program was brought to an end with blessings and wishes to everyone and followed by a grand lunch.

Lohri Celebration

Lohri 2022 was observed on Thursday, January 13, 2022 also known as Lohadi. Lohri is always celebrated a day before Makar Sankranti as per the Hindu calendar which falls between January 14-15 every year. The festival of Lohri marks the end of winters and welcomes sunny days. The main attraction of the Lohri was the huge bonfire which is a part of its tradition. The bonfire was lit and everyone gathered around to sing and dance. A number of rituals were performed like throwing of sesame seeds, gur, reveries, popcorns, gazak, and other items into the holy fire while rotating. Prof. (Dr.) Tanuja Srivastava explained that it is believed that these food ingredients help cleanse the body bringing renewed energy for the new year that's why food like jaggery, gazak are offered to the fire as a way of paying gratitude to nature. The celebration reminded us that it is a fresh start to get success with happiness. Mrs. Baljinder Kaur

Secretary BGIET wished warmest greetings to everyone and prayed for happiness prosperity and growth in life. Dr. Guninderjit Singh Jawandha, Hon'ble Chairman BGIET blessed everyone with soaring happiness and brighten life with good health and success. Wishing everyone a bright Lohri and fun celebration.

Faculty Development Program
