## DIRECTOR'S DESK

It is a time when the world is going through a tremendously innovative ecological shift. If you are capable of understanding how to adapt and further cope with these extreme issues, you will definitely be able to implement your skills and knowledge in the true sense and be able to attain meaningful success. In my opinion, there is no one-size-fits-all solution to the complex and contemporary societal problems, but with the correct education, pupils can be guided towards achieving their broadly defined objectives.

To make aspirations come true, it is crucial to choose the best platform and appropriate programme based on the student's interests.

**Prof. (Dr.) Tanuja Srivastava**  
**Director**

We are dedicated to providing our students with a high-quality, value-driven education. Our staff of committed academicians and business professionals, who help students carve out a career niche in the most promising workplaces throughout the world, is our greatest asset. In order to enable our students to achieve their own goals while upholding human values, we place a strong focus on an all-encompassing, holistic education.

It is encouraging to see how well our students have done academically and throughout their corporate placements. In addition to the institute's strong alumni, top-tier recruiters regularly visit the campus to observe the students' outstanding academic achievement and quality placements. The institute has reached new heights of glory thanks to the ongoing support and patronage of all the stakeholders.

All students are welcome to join the BGIET community, and we promise that their education will be cutting-edge, fulfilling, beneficial, and unforgettable.

Best wishes

# INSTITUTIONAL ACTIVITIES

## Plantation Drive on Independence Day

BGIET organized the Tree Plantation 🌱 for the celebration of the 75th Azadi ka Amrit Mohatsav with the theme '**Nation First, Always First**'

Hon'ble Chairman Dr. Guninderjeet Singh Jawandha along with the officials and faculty captured here while planting trees to commemorate the 75 years of Indian Independence. While wishing everyone a very happy independence day, he also urges to plant a tree and do your part in saving the future generations and ensuring a greener India.

## Entrepreneurship Awareness Programme

District Industries Centre Sangrur and Regional Centre for Entrepreneurship Development Chandigarh conducted a One-day Entrepreneurship Awareness Programme under State Plan Scheme VSI-23 in Bhai Gurdas Institute of Engineering and Technology for the 3rd semester students of all branches of Applied Sciences Department on 17.08.2022. In the presence of the Hon'ble Chairman Dr. Guninderjeet Singh Jawandha; MD and Executive Member Dr. Suvreet Kaur Jawandha; Director Prof. (Dr.) Tanuja Srivastava and Project officer Mr. Jaiwan Singh .The programme has been sponsored by Directorate of Industries & Commerce, Govt. of Punjab.

The objective of the program was to promote the concept of startups and entrepreneurship among the students of Engineering and Science.

## Induction Programme

Bhai Gurdas Institute of Engg. & Technology (BGIET), Sangrur organized an orientation program for B.Tech, M.Tech under SIP (Student Induction Programme). All students enrolled in the first year and second year (LEET) participated enthusiastically. On this occasion,

BGIET Secretary Mrs. Baljinder Kaur Jawandha and Director BGIET Prof. (Dr.) Tanuja Srivastava started the event with the ceremony of Deep Jagran. The campus director while informing the media bureau said that this activity will continue for the next 15 days. Under this program, the new students were introduced to the achievements of the college as well as the rules of the university. Hon'ble Chairman Dr. Guninderjit Singh Jawandha & Managing Director Dr. Suvreet Kaur Jawandha blessed the students for their bright future and in a message also urged them to brighten the name of BGIET and their parents.

## Placement Drive

What an incredible achievement made by our 5 students of B.Tech & MBA department by getting selected in the recruitment drive conducted in Bhai Gurdas Institute of Engineering & Technology by a renowned company Extra Marks and has made everyone proud by grabbing the package of 7.2 LPA. Students participated in the drive enthusiastically for placement. BGIET

Every year transforms the lives of its students into a successful future with continuous placements drives in the campus. The campus placement drive was for the students of B.Tech & MBA.

Hon'ble Chairman felicitated the selected students and said that BGIET testimonies the hard work and innovative thinking by working on the ultimate focus of providing the best placements. Director BGIET congratulated the students and staff for this achievement and motivated them to achieve greater heights in future

## Placement Drive

The renowned companies Chicmic, Aspirefox, and Kizzy consulting conducted recruitment drives at Bhai Gurdas Institute of Engineering and Technology and 15 students were selected and earned success with a package of 5.4 lacs per annum. BGIET is transforming the lives of its students into a successful future with continuous placement drives in the campus. The campus placement drives were open for students of B.Tech (C.S.E, IT, E.C.E). The selection was done through various parameters. In the first round, a written aptitude test was conducted followed by group discussion on general and technical topics. The confirmation from the companies has opened new gates of success for the selected students, These Students will work on the positions of Software Developer BGIET is certainly working hard in providing a congenial atmosphere with best academics. It showcases the establishment and excellent working of the Group. The Students appreciated the efforts of the Group for its placements initiatives. The company officials were impressed by the overall knowledge of the students, commented that the institute is contributing impressively to promote technical education at the national level.

## Industrial Visit

Food Technology students of BGIET got opportunity to visit Chanakya Dairy to learn about Dairy products. The visit was intended to expose the students to the real industry where they would see themselves in the near future. To make our students "Industry ready" visit was organized by our placement team on 10th Oct, 2022 to Chanakya Dairy Products Limited Mandi Gobindgarh. The objective of the visit was to expose the students to the production process of FMCG products in Bakery and Dairy industry under the brand name HF Super. The plant head addressed students and showed them the entire plant. The students were taken around the plant and were explained about the production and operation of bread and buns. Students interacted with the operation staff handling Raw material, Production, Packaging and quality control department. Overall the visit was enlightening and students gained a lot of knowledge from this. Hon'ble Chairman appreciated and said that the group is transforming the lives of its students by giving them national and international exposure.

## Blood Donation Camp

A blood Donation Camp was held by BGIET Campus and SS Jain Sabha in collaboration with blood bank Civil hospital Sangrur and Govt. Rajindra hospital Patiala on 18th October 2022. Hon'ble Chairman was the Chief Guest for the inaugural ceremony of the event. A team of doctors under the supervision of SS Jain sabha conducted the camp. The camp began at 10.00 a.m. with a short inaugural function where in Dr. Shaliender Jain, Director SLIET, Dr. Sukhwinder Singh, SP Sharma President lion club Sangrur, Ashok Garg Vice President, Shri Vijay Jain and his five member team was given a floral welcome. 117 volunteers came forward to donate

blood during the camp which included teaching & non-teaching staff, students & non-student donors. At the end 257 units of Blood was collected. The blood donors were given Milk, Apple, Sandwich, Banana and Fruti, after donating the blood in order to reenergize themselves. The blood donors were provided with a blood donation certificate card and wall clock by SS Jain Sabha. The medical team was provided with lunch and the camp concluded at around 2.30 p.m. Hon'ble Chairman expressed his gratitude to the NSS unit of the college for its continuous endeavor in this regard. He also stressed on the growing need of blood in the state and commended the young volunteers for their noble act. Dr Suvreet Kaur Jawandha MD and executive member said our college has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing to people at the camp our NSS volunteers brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. Prof. (Dr.) Tanuja Srivastva, Director BGIET said it is a way of BGIET gesture in bringing a ray of hope to contribute to the serious problems of acute shortage of blood. India faces a blood shortage of 3 million units. Donation of blood is very critical and crucial for saving lives of many patients and those who have met with accidents. It is as such a great service or contribution to the society and people living in it. SS Jain sabha congratulated the management and applauded the spirit of students for understanding their responsibility towards society and felicitated them on this noble venture.

## Placement Drive

Reliance Jio conducted a Campus placement drive on 17th October, 2022 in Bhai Gurdas Institute of Engineering & Technology, Sangrur. Officials of Reliance Jio Team Mr. Rahul Bhandari & Ms. Ritul Yadav came for searching suitable talent by conducting student interviews for Technical Support Associate, Providing backend support to customers through email and chat, troubleshooting technical issues. The Panel members were welcomed with bouquets and Memento as a token of appreciation and respect. Panel members were very keen in conducting Campus recruitment drive next year also. The programme was coordinated by Mr. Prince Jindal and Mr. Abhinash Singla (Training & Placement Officers). The programme commenced with a warm welcome of Jio HR team. This was followed by a small presentation by Mr. Rahul Bhandari which gave a detailed knowledge of the company and the job role. After that the following rounds of interview were conducted Group Discussion Individual Interview Technical Interview / Operations Interview around 220 candidates from SLIET, Talwandi Sabo, Punjabi University Patiala, Baba Banda Singh Bahadur College and Baba Farid University participated in the campus recruitment drive, out of which 50 candidates were qualified after the

first round. Qualified candidates were then assessed on their communication skills, after which 30 candidates were shortlisted. After the final round 15 students were shortlisted and selected by Reliance Jio at the package of 7 lacs. Overall experience and feedback of Reliance Jio recruitment team was very positive as the need of their organization to search the right talent to drive its business objectives were fulfilled by the students and the Campus Recruitment Drive conducted by us. ## Placement Drive

The renowned companies Anviam Solutions, RN Gupta, Education Culture pvt ltd conducted recruitment drives

at Bhai Gurdas Group of Institutions and 12 students were selected and earned success with a package of 5 Lacs per annum. Bhai Gurdas Group is transforming the lives of its students into a successful future with continuous placement drives in the campus. The campus placement drives were open for students of B.Tech (CSE/IT/EE/ME) & MBA. The selections were done through various parameters. In the first round, a written aptitude test was conducted followed by group discussion on general and technical topics. The confirmation from the companies has opened new gates of

success for the selected students. The students appreciated the efforts of the Group for its placements initiatives. The company officials were impressed by the overall knowledge of the students, commented that the institute is contributing impressively to promote technical education at the national level.

Hon'ble Chairman felicitated the selected students and said that BGIET testimonies the hard work and innovative thinking by working on the ultimate focus of providing the best placements. MD and Executive Member BGIET while congratulated the students conveyed that hard work is the key to success, thus the students need to do more hard work to brighten their future. Director BGIET said that students should concentrate on the goals of their life, and must prepare themselves for such events in advance so that they can get success in every interview.

## Seminar

The seminar series week (Technovation) technically sponsored by prakash Bharti (Consortium of IEEE Photonics Society Chapter of India) and IEEE Photonics Society Rajasthan Chapter, Delhi Section and GREAT Alliance Foundation. The Seminar was held at TPO conference hall from 23rd January to 27th January for the students of Mechanical Engineering. It was started with the first seminar on the topic 'Role of IOT in Industrial

Automation'. The first expert of the event, Dr. Ashish Sharma Professor from Chandigarh University, Gharuan Campus enlightened the first session. Second session of the event concluded with the expert talk on the topic

'Emerging technologies in the field of Mechanical Engineering', delivered by Dr. Tejinderpal Singh, from SLIET Longowal. The main motive to organize this seminar was to equip the students of Mechanical Engineering with the knowledge about recent technologies in the field of engineering. There were 53 students present in the first session and 59 students in the second session. The overall seminar was enlightened and students gained a lot of knowledge. Our Respected Chairman motivated & supported in every aspect for the successful conduction of this seminar. MD & Executive Member congratulated the students and said that how such programmes were essential for boosting the confidence of students and for the strong image of our Institute. Director BGIET

and Institute Patron of the event encouraged the students to give their best for better future as the institute focus to provide the best learning environment and she also thanked the experts for sparing their valuable time for their respective sessions.

## Kabbadi Tournament

BGIET organized a Kabaddi Tournament on 22 January 2023 for the students. There were 11 teams of our college of different states. Our BGIET family always look forward to encourage sportsmanship in our students. We believe in comprehensive learning environment.

We encourage every student to come forward and take part in sports activities. BGGI organizes such activities for the growth and development of the students as sports activities help the students in many ways as they require physical strength, imagination, creativity and many more.

## Inter College Handball Tournament

BGIET's Inter-College Handball Tournament has kick-started at the campus with full enthusiasm!

The students from different colleges came to show their sportsmanship and teamwork. The tournament continued for two days. The two-day Handball Tournament gave the students a platform to test their fitness and athletic skills.

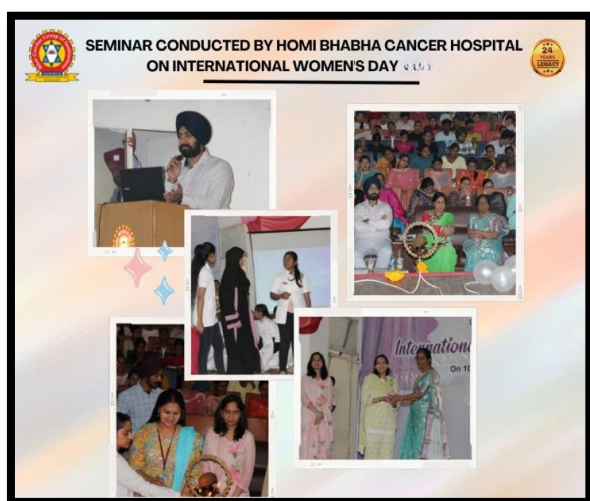

Have a look at these vivid glimpses from the opening ceremony of the handball Tournament at BGIET!

Respected Chairman and MD & Executive Member BGIET motivated and appreciated the sportsmanship in the students and said that BGIET always encouraged all the students to come forward and take part in sports activities and wished the participants to give their best. Director BGIET cheered up the confidence of the participants with her presence and wished them all the best.

# International Women's Day

The International Women's day was celebrated at campus in collaboration with Homi bhabha cancer Hospital, Sangrur on 10th March 2023. The theme of international Women's day is **"Accelerating Equality and Empowerment"**.
