BGIET

Department Of Food Technology

Mission

- To excel in teaching by offering technical/professional education imbuing ethical and moral values.
- To provide knowledge and skills in the areas of food processing, hygiene and safety of processed food products.
- To impart students with a vibrant technical knowledge to handle problems by collaborating with food industry.
- To promote the research and development activities of students to produce quality food products with the scope.

Vision

To generate highly skilled and dynamic food technologists who will serve society as a centre of excellence for food technology education and research.

Strength does not come from winning. When you go through hardships and decide not to surrender, that is strength

Don't take rest after your first victory because if you fail in second, more lips are waiting to say that your first victory was just luck.

Faculty Editor

Er. Deep Shikha

Assistant Professor

FROM THE HOD'S DESK

I am happy to note that the Department of Food Technology is releasing its Newsletter enumerating the various activities and achievements of our faculty and students. The department endeavors to produce confident professionals tuned to real time working environment. The department offers excellent academic environment with a team of highly qualified faculty members to inspire the students to develop their technical skills and inculcate the spirit of team work in them.

Dr. Syed Insha Rafiq
(H.O.D)

FROM THE EDITOR'S DESK

We are pleased to share with you the second issue of the newsletter for the month of Jan to June 2021-22. I would also like to take this opportunity to thank the contributors of the newsletter and faculties for their constant support in making this newsletter a success. We wish to engage and encourage more experts working in the regulatory domain to share their contribution. If you would like to discuss any questions or feedback, please contact the author.

Students Welcome Party

Though, the institute has conducted formal welcome party for the 1st year B.Tech students during the beginning of the academic session, the welcome party from student side was organized during mid of the July by Department of Food Technology on July 8, 2019. The senior batch students indulged in various activities to engage the new comers technically and made the events thought provoking and mind kindling.

Independence Day Celebration

BGGI Sangrur, celebrated the 73rd Independence Day in the Institute on August 15, 2019 with passionate, dedicated, and patriotic fervour. Dr. Tanuja Srivastava, Director, BGGI Sangrur unfurled the tricolour followed by the National Anthem. In her Independence Day speech, she recalled the various programs organized by BGGI Sangrur.

She urged all the members of NIT Raipur to unite and work on a single-point agenda to promote the developmental activities of the Institute. A cultural program was organized by The Cultural Committee of BGGI Sangrur. Students from various clubs and committees, as well as individual performers showcased their cultural skills.

Industrial Visit

Department of Food Technology, Bhai Gurdas Institute of Engineering and Technology, Sangrur organized an Educational Industrial Visit to Pepsico Plant, channo, Sangrur on September 16, 2019. An industrial visit has its own importance in the career of a student who is pursuing a professional degree.

It provides students with an opportunity to learn practically through interaction, working methods and employment practices. It gives them exposure to current work practices as opposed to possibly theoretical knowledge being taught at the college. The main objective of this visit was finding the live problem in the industry as well as its solutions.

Beefarming and Biofertilizer Entrepreneurship Camp

Beefarming and biofertilizer entrepreneurship awareness camp (EAC) was conducted on October 20, 2019. The EACs are an initiative of The National Science & Technology Entrepreneurship Development Board (NSTED), DST, Govt. of India. With a view to expose students as well as faculty of academic institutions, offering degree/diploma courses in Science and Technology, to entrepreneurship as an alternative career, Entrepreneurship Awareness Camps (EACs) are conducted. A camp, of 1 day duration, was conducted in the premises of an academic institution and aims at creating awareness among students about various facets of entrepreneurship while highlighting the merits of pursuing such a career option.

Lecture on Food Safety and Personal Hygiene

The awareness program on food safety and personal hygiene for street vendors was organized by Department of Food Technology, Bhai Gurdas Institute of Engineering and Technology, Sangrur on October 21, 2019. Mr. Ashok Kumar, Joint Secretary, MoFPI presided as Chief Guest for the program is to stress upon the importance at Food Safety & Hygiene to the inevitable players of this stake i.e., street vendors.

World Food Day Celebration

World Food Day is celebrated annually on October 16 across the globe to create awareness for those who suffer from hunger and to ensure the need for food security and nutritious diets for all. Every year Department of Food Technology, Bhai Gurdas Institute of Engineering and Technology (BGIET), Sangrur also celebrate world food day on October 16. This year, Department of Food Technology, had celebrated in a thoughtful manner. The events and programs like quizzes, debates panel discussions were fully finalized on the theme area “Our Action are Our Future” and organized by the students. The events are evident that BGIET shapes the students into Managers, organizers besides their academic programs.
