sonic *view*

2023-24

CHAIRMAN MESSAGE

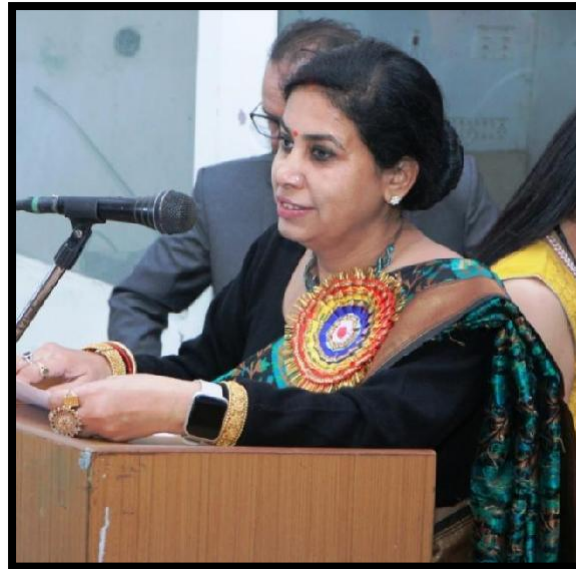

Bhai Gurdas Institute of Engineering and Technology (BGIET), shines as a symbol of educational excellence in North India, devoted to catalyzing societal, scientific, and economic progress globally. Committed to academic brilliance and holistic growth, BGIET earns acclaim from both students and society. The institution prioritizes individual excellence, offering diverse scholastic, cultural, and professional activities to mold students into versatile achievers ready for the global stage. Faculty members impart rigorous training in placement, personality development, and communication skills, guiding students towards prosperous careers and futures.

As part of the BGGI community, students thrive in an environment where aspirations are nurtured under exceptional leadership and inspiring faculty. The institution's steadfast commitment to international-quality education ensures students access top-notch opportunities for personal and professional development. With a notable placement record and emphasis on practical skill-building, BGGI remains dedicated to excellence, ensuring students not only excel academically but also flourish in their chosen fields, armed with the tools and knowledge to navigate today's dynamic world.

Dr. Guninderjit Singh Jawandha
Chairman of Bhai Gurdas Group of Institutions,
Sangrur

DIRECTOR MESSAGE

Bhai Gurdas Institute of Engineering and Technology (BGIET) stands as a prestigious engineering institution in Punjab and North India, renowned for its dedication to technical education excellence. With a rich history spanning over 22 years, BGIET has groomed skilled professionals who have made significant impacts across global industries, governmental sectors, and academic institutions. Rooted in its commitment to humanity, BGIET focuses on molding students into proficient professionals, managers, and responsible citizens, prioritizing research, industry collaborations, and streamlined access to quality education through an ERP system. The institute promotes holistic student development through sports, cultural, and extracurricular activities, fostering qualities like leadership, teamwork, and social responsibility to cultivate a technologically advanced workforce aligned with societal demands.

BGIET offers a diverse array of B.Tech and M.Tech disciplines, including Computer Science, Mechanical Engineering, and Artificial Intelligence, Civil, Electronics and communication, Eelectrical, Information and technology aiming to empower students to excel in their respective fields and positively impact society. The institute's emphasis on nurturing socially responsible individuals underscores its commitment to providing a conducive environment for academic and personal growth, instilling values of integrity and leadership. Through its comprehensive educational approach, BGIET strives to achieve its broader goal of producing graduates who are not only technically proficient but also equipped with the skills and mindset to address the evolving challenges of the contemporary world.

Dr. Tanuja Srivastava

Director, BGIET, Sangrur

HOD'S MESSAGE

In today's globalized world, education is rapidly evolving due to increased mobility, cross-border knowledge sharing, higher education demand, and emphasis on lifelong learning. Educational institutions like Bhai Gurdas Institute of Engineering and Technology (BGIET) in Sangrur play a pivotal role in this dynamic context. Committed to quality education, BGIET focuses on enhancing students' core competencies, refining communication skills, and fostering ethical awareness. The institution prioritizes student placement, ensuring a hundred percent success rate in facilitating entry into the professional sphere with lucrative job offers. Central to its educational philosophy is the belief in individual development and the pursuit of truth, advocating for free inquiry and intellectual progress. BGIET sees education as a catalyst for societal transformation and national prosperity, striving to create an environment conducive to holistic growth. Its well-equipped campus provides a nurturing space for students to excel and contribute meaningfully to society.

HOD'S MESSAGE

Welcome to the Department of Information Technology. Established in 2002, our department endeavors to blend excellence in education with a commitment to serving industries. Our overarching vision is to be recognized as an innovative and leading department in the field of information technology. Our primary objective is to equip students with a well-rounded blend of intellectual and practical experiences that enable them to address a variety of societal needs.

At the heart of our department are hardworking students, a dynamic and youthful faculty possessing expertise across various IT disciplines, and a robust work culture. These elements collectively shape the essence of the Department of Information Technology, serving as the academic nucleus of our institute. With an unwavering belief in our potential for success, we instill in our students an attitude of self-reliance, confidence, commitment, and responsibility to our nation.

The Department of Information Technology is dedicated to shaping careers, enriching minds, and providing an enriching experience that endures a lifetime. I am confident that our students will demonstrate a high level of professional competence in their respective fields and uphold the credibility of our department. I extend my best wishes to all of them for their future endeavors.

Dr. Ajay Goyal

H.O.D-IT

HOD'S MESSAGE

The Department of Electronics & Communication Engineering (ECE) at our institution was established in 2002, representing a significant step forward in our academic pursuits. Anchored by a highly motivated and learned faculty, the department offers both an Undergraduate Program (B.Tech.) and a Postgraduate Program (M.Tech.) in Electronics and Communication Engineering. Through a curriculum that emphasizes practical learning, students are exposed to relevant laboratory exercises and project work, enabling them to develop robust problem-solving skills aligned with industry requirements. Additionally, the department collaborates with industry partners to conduct workshops, expert talks, and training programs, ensuring that faculty and students remain abreast of the latest developments in the field.

Central to the department's success is its state-of-the-art infrastructure, which includes well-equipped laboratories and cutting-edge computers with high-speed internet access. These resources, coupled with a dedicated faculty, contribute to a world-class educational experience that prepares students to excel in the dynamic field of Electronics and Communication Engineering. Recognizing the discipline's growing significance across various spheres of human endeavor, the department stands poised to nurture future generations of engineers who will drive advancements and innovation in this rapidly evolving domain.

Dr. Deepinder Singh

H.O.D- ECE

HOD'S MESSAGE

The Department of Mechanical Engineering at Bhai Gurdas Institute of Engineering & Technology, Sangrur, established in 2003, offers undergraduate and postgraduate programs aimed at delivering excellence in value-based engineering education. The department boasts a team of qualified faculty members who excel in their respective specialties, enhancing student learning experiences. With state-of-the-art laboratories, students engage in practical learning and cutting-edge research activities. The department's mission focuses on preparing students for successful careers in industry, research, and academia by providing a comprehensive curriculum and hands-on approach. Emphasizing teamwork and leadership, students participate in multidisciplinary projects and extracurricular activities facilitated by professional bodies like SAEINDIA and the Institution of Engineers (India). Through such initiatives, students are equipped with the latest knowledge and skills in mechanical engineering, positioning them for success in the competitive landscape of the field.

Dr. Randhir Singh

H.O.D-ME

HOD'S MESSAGE

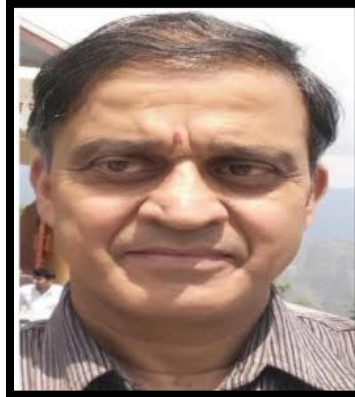

The Department of Electrical Engineering at BGIET, Sangrur, extends a warm welcome to aspiring engineering students, emphasizing quality education and a strong foundation in fundamental principles. The department is committed to sustainable growth in power, drives, control, automation, and communication sectors, prioritizing academic excellence and innovation. With experienced faculty and modern facilities, students are empowered with the latest teaching aids and encouraged to pursue high-quality research. The department focuses on green technology, promotes independent thinking, and highlights the significance of Electrical Engineering in contemporary society. Promising placement records in various industries make it an excellent avenue for academic and professional growth. The Head of the Department expresses gratitude to stakeholders and emphasizes the role of the department in fostering a dynamic and learning-oriented community. Best wishes are extended to all aspiring Electrical Engineers for success and prosperity.

Dr. Sushil Kakkar

H.O.D-EE

HOD'S MESSAGE

The Department envisions facilitating the student community with high standards and value-oriented traditional teaching, coupled with modern techniques. Our goal is to nurture every student to become a true asset to the Nation and a noble human being on a global scale, equipped with technological versatility. At the Civil Engineering Department of BGIET, our focus lies in fostering analytical and experimental skills among students, enabling them to apply their knowledge across various fields of Civil Engineering using both National and International codes.

Furthermore, we provide students with opportunities to enhance their communication and presentation skills, along with proficiency in software applications such as AutoCAD, STAAD PRO, among others. Through industrial training and visits to live construction sites, students gain practical knowledge and a deeper understanding of the field's constraints. It is our moral and social responsibility to impart state-of-the-art technological information to our Civil engineering students, considering the ever-evolving nature of construction methods, materials, and skills.

With a dedicated team of highly qualified and experienced faculty members, we strive to offer an enjoyable and effective learning experience to all our students, ensuring they are well-prepared to meet the demands of the modern construction industry.

Dr. Dinesh Kumar Sharma

H.O.D-Civil Engg.

HOD'S MESSAGE

As the Head of the Department of Food Technology, I extend a warm welcome to our dynamic department dedicated to industrial transformation, value addition, and human development. Our comprehensive program delves into various facets of Food Science and Technology, focusing on food composition, nutritional value, microbiological factors, and sensory attributes. We emphasize training in food processing, preservation techniques, safety standards, quality control, sanitation, food laws, regulations, and packaging protocols crucial in the food industry. The curriculum incorporates entrepreneurial and industry-specific insights, integrating the latest technological advancements. Practical learning is prioritized through annual In-plant Training and internship programs across diverse food industries, providing hands-on experience and real-world applications. Our department's objectives center on offering comprehensive subject knowledge and enhancing students' intellectual capacities, enabling them to develop cognitive and transferable skills essential for success in Food Technology.

Dr. Ashok Singla

H.O.D-FT

HOD'S MESSAGE

Bhai Gurdas Institute of Engineering & Technology, located in Punjab, stands as a distinguished center of learning where aspiring engineers are nurtured across various disciplines. Engineers, characterized by their proactive nature, do not merely observe—they catalyze change. With innovation, creativity, and a wealth of knowledge, engineering graduates are making significant impacts on the world unlike any other profession. The institute remains steadfast in its mission to shape today's youth into tomorrow's world-class technocrats, committed to enhancing the quality of life for humanity. Rooted in core values, the institute fosters the holistic development of its students, equipping them to thrive and compete at a global level.

I am confident that our students will emerge as valuable assets to any organization, showcasing their technical prowess and making substantial contributions to their respective fields.

Dr. Jitender Ratan

H.O.D.-APPLIED SCIENCES

HOD'S MESSAGE

I extend a warm welcome to each of you to the esteemed Department of Management Studies at Bhai Gurdas Institute of Engineering & Technology. Established in 2004, our department stands as a testament to the evolving landscape of business education in the face of the fourth industrial revolution, characterized by the disruptive force of technology. As we embark upon this era, it is imperative that our future leaders possess a profound understanding and appreciation of technology, as it underpins the fabric of modern businesses. The demands of the contemporary global business environment necessitate managers endowed with vision, adaptability, and a diverse skill set.

At the Department of Business Studies, BGIET, we are committed to equipping our students with the requisite knowledge and competencies to thrive in this dynamic landscape. Our pedagogical approach is meticulously designed to align with current industry demands, ensuring that our graduates emerge as adept and successful managers. We employ a multifaceted teaching methodology encompassing case-based instruction, project-based learning, business simulations, experiential exercises, and insights from industry stalwarts and academia. Our overarching goal is to nurture the potential of our aspiring managers and business leaders, preparing them to navigate the complexities of the contemporary business milieu with confidence and acumen.

Ms. Geetika Garg

H.O.D-MBA

HOD'S MESSAGE

The Department of Artificial Intelligence and Machine Learning at BGIET stands as a beacon of innovation and excellence in the rapidly evolving fields of AI and ML. As we navigate the complexities of the digital age, it is imperative that we equip ourselves with the knowledge and skills to harness the transformative power of these technologies. Our dedicated faculty and staff are committed to providing a nurturing environment where students can explore the frontiers of AI and ML, engage in cutting-edge research, and develop the expertise needed to tackle real-world challenges. At the Department of Artificial Intelligence and Machine Learning, we strive to cultivate a culture of curiosity, creativity, and collaboration. Through a blend of rigorous academic coursework, hands-on laboratory experiences, and industry partnerships, we aim to empower our students to become trailblazers in the field of AI and ML. Together, let us embark on a journey of discovery and innovation, as we chart new pathways towards a future shaped by the boundless possibilities of artificial intelligence and machine learning.

Dr. Ashish Oberoi

H.O.D-AIML

INSTITUTIONAL ACTIVITIES

NEW YEAR DELIGHTS

The Bhai Gurdas Group of Institutions (BGIET), Sangrur, orchestrated a formal event on January 1st, 2023, at the campus premises to inaugurate the commencement of the year 2023 with great enthusiasm and to commemorate the significant achievement of the New Year. BGIET takes immense pride in announcing the initiation of its new academic program, namely B.Pharmacy, following the approval of Bhai Gurdas Pharmacy College to offer the B. Pharmacy Program. This approval has been granted by the Pharmacy Council of India (PCI) and is affiliated with MRSPTU, Bathinda. BGIET welcomes the New Year with renewed optimism and heightened spirit, extending warm wishes to all for a Happy New Year 2023.

“No one would starve in independent India. Its grain would not be exported. Cloth would not be imported by it. Its leaders would not use a foreign language and finding justice in it would be neither costly nor difficult.”
SardarPatel

NATIONAL YOUTH DAY

The commemoration of the National Youth Day on January 12th signifies the celebration of Swami Vivekananda's birth anniversary. In 1984, the Government of India designated Swamiji's birth anniversary as National Youth Day, and since 1985, it has been observed to honour and acknowledge Vivekananda's teachings. Bhai Gurdas Group of Institutes, Sangrur, observed "National Youth Day-2024" on January 12, 2024, in reverence of the birth anniversary of the esteemed Indian youth icon, Swami Vivekananda.

To pay tribute to his notable contributions and to draw inspiration from his ideals, BGIET organized an online essay writing competition on the theme "Youth Power towards nation-building and universal brotherhood," along with a virtual poster competition open to all BGIET students. A total of five posters and three essays were submitted and evaluated, and the best entries were honoured with certificates. Additionally, insights into Swami Vivekananda's educational philosophy were disseminated through institutional social media channels.

“Arise, Awake and Stop not until the goal is reached.”

Swami Vivekananda.

LOHRI CELEBRATION

The celebration of Lohri and Makar Sankranti at BGIET was marked by a formal acknowledgement of the season of harvest, accompanied by aspirations for new beginnings and insights. We extend our sincere wishes for a joyous Lohri and Makar Sankranti to our esteemed BGIETfamily.

The focal point of the event was a grand Bonfire, symbolizing the essence of the festivities. The ceremonial lighting of the bonfire drew participants together, fostering an atmosphere of communal song and dance. Various traditional rituals were observed, including the ceremonial tossing of sesame seeds, jaggery, sweets, popcorn, and other offerings into the sacred flames.

Following the Bonfire ceremony, students engaged in a spirited kite-flying competition, showcasing their enthusiasm and competitive spirit. The event concluded with a DJ party, providing a lively conclusion to the festivities.

A war based on Satyagraha is always of two kinds. One is the war we wage against injustice and the other we fight against our own weaknesses.

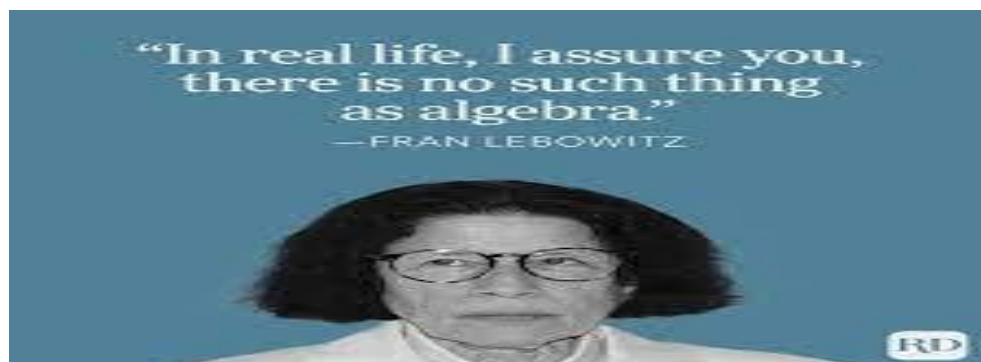

Sardar Vallabhbhai

SEMINAR

Bhai Gurdas Institute of Engineering & Technology (BGIET), Sangrur, in collaboration with IEEE Prakash Bharati India and IEEE Photonics Society (Rajasthan Chapter, Delhi Section), along with the Great Alliance Foundation, orchestrated a two-day seminar as part of the Seminar Series Week (Technovation).

The seminar, titled "Recent Advancements in Process and Food Engineering," took place at the TPO conference hall, organized by the Department of Food Technology at BGIET on January 19th and 20th, 2023. The primary objective behind convening this seminar was to furnish students of food technology with insights into the latest developments in process and food engineering. The seminar provided an enlightening platform, enabling students to acquire valuable knowledge in the field.

PLACEMENT

12 exceptional students from Bhai Gurdas Institute of Engineering and Technology (BGIET) have secured positions in the prestigious ranks of three leading companies. While industry trends may fluctuate, BGIET consistently achieves remarkable placement records. Renowned companies such as Anviam Solutions, RN Gupta, and Education Culture Pvt Ltd recently conducted recruitment drives at Bhai Gurdas Group of Institutions. Following rigorous selection processes, 12 students were successfully chosen, each receiving a competitive package of 5 Lacs per annum. BGIET remains dedicated to nurturing its students towards prosperous futures through ongoing placement initiatives within the campus. These placement drives were extended to students pursuing B.Tech in Computer Science, Information Technology, Electrical Engineering, Mechanical Engineering, as well as MBA students. Selections were meticulously conducted through a series of assessments. Initial screenings included a written aptitude test, followed by group discussions covering general and technical topics. The confirmation of placement from these esteemed companies not only signifies success for the selected students but also opens new avenues for their career progression. Representatives from the companies commended the students' comprehensive knowledge and acknowledged BGIET's significant contribution to advancing technical education at a national level.

CELEBRATE REPUBLIC DAY

Bhai Gurdas Institute of Engineering and Technology (BGIET) observed Republic Day with patriotic zeal. The event commenced with the flag hoisting and national anthem, honoring the nation's sovereignty and freedom fighters' sacrifices. Cultural performances showcased India's diversity and unity, reinforcing democratic values. Inspirational speeches underscored the significance of Republic Day and democratic principles. BGIET's celebration emphasized the collective responsibility towards national progress and social responsibility. It served as a poignant reminder of India's journey and instilled patriotism in future leaders, aligning with BGIET's commitment to nurturing socially conscious citizens.

Life loses half its interest if there is no struggle — if there are no risks to be taken.

Netaji Subhash Chandra Bose

SEMINAR

Bhai Gurdas Institute of Engineering and Technology (BGIET) orchestrated a Seminar Series Week, aptly named Technovation. This week-long seminar series was technically sponsored by Prakash Bharti (a consortium of the IEEE Photonics Society Chapter of India) along with the IEEE Photonics Society Rajasthan Chapter, Delhi Section, and the GREAT Alliance Foundation. The seminar was convened at the TPO conference hall from January 23rd to January 27th, specifically tailored for students specializing in Mechanical Engineering. The inaugural seminar focused on 'The Role of IoT in Industrial Automation,' with Dr. Ashish Sharma, Professor from Chandigarh University, Gharuan Campus, delivering the keynote address. The subsequent session delved into 'Emerging Technologies in the Field of Mechanical Engineering,' featuring an expert talk by Dr. Tejinderpal Singh from SLIET Longowal. The primary objective behind organizing this seminar was to enrich Mechanical Engineering students with insights into recent advancements in engineering technologies.

Men, money and material cannot by themselves bring victory or freedom. We must have the motive-power that will inspire us to brave deeds and heroic exploits.

Netaji Subhash Chandra Bose

KABADDI TOURNAMENT

Bhai Gurdas Institute of Engineering and Technology (BGIET) hosted a Kabaddi tournament on January 22, 2023, exclusively for its students. Eleven teams representing various states within our college participated in the event. The BGIET community consistently strives to foster sportsmanship among our students, recognizing it as an integral aspect of their holistic development. We advocate for a well-rounded learning environment and actively encourage student participation in sports activities. Such initiatives, including the organization of sporting events like this tournament, are fundamental to the growth and enhancement of our students. Sports activities not only promote physical fitness but also cultivate qualities such as imagination, creativity, and teamwork among participants.

Don't see others doing better than you, beat your own records every day because success is a fight between you and yourself.

Chandrasekhar Azad

PROUD MOMENT

Warmest congratulations extend to our esteemed Chairman, Dr. Guninderjit Singh Jawandha, on his appointment as the Chairman of Punjab Infotech Corporation. Through his unwavering dedication and diligence, he continues to bring immense pride to the Bhai Gurdas Group of Institutions of Engineering and Technology. His remarkable achievements serve as a perpetual source of inspiration for all of us. Under Dr. Jawandha's esteemed guidance, we are confident that Punjab Infotech will scale new heights of success. A small gathering was convened by the BGIET family to express our heartfelt appreciation for his remarkable accomplishment. We are truly honored to be led by such an exceptional individual.

Even if I died in the service of the nation, I would be proud of it.
Every drop of my blood... will contribute to the growth of this
nation and to make it strong and dynamic.

-Indira Gandhi

HANDBALL TOURNAMENT

The inaugural ceremony of the Inter-College Handball Tournament at BGIET was a jubilant affair, marked by fervent enthusiasm and spirited participation. Taking place at the BGIET Campus, the tournament has attracted students from various colleges, each eager to display their sportsmanship and collaborative prowess. Scheduled to span two days, this event offers participants a platform to showcase their physical fitness and athletic abilities. Anticipation runs high as spectators await the outcome of the matches. During the opening ceremony, esteemed figures such as Dr. Guninderjit Singh Jawandha, Chairman of BGIET, and Dr. Suvreet Kaur Jawandha, Managing Director and Executive Member of BGIET, commended the students for their sportsmanship and encouraged active participation in sports activities. They expressed the BGIET family's enduring support for student engagement in sports and extended best wishes to all participants.

Where the mind is led forward by thee into ever-widening thought
and action-Into that heaven of freedom, my father, let my country
awake.

Rabindranath Tagore

VISIT'S

VISIT AT SEED FARM

The students from the Agriculture Department of BGIET embarked on a field trip to the SEED FARM located at Mastuana Sahib, Sangrur. The purpose of this visit was to provide students with firsthand exposure to the agricultural industry, offering them insight into their potential future careers. Organized by BGIET Campus on February 14th, 2023, the trip was led by the Head of Department, Mr. Gurpreet Singh, accompanied by other faculty members. The primary objective was to familiarize students with the seed production processes of various crops. The Farm's supervisor welcomed the students and guided them through the entire operation, demonstrating the cultivation, harvesting, packaging, and quality control procedures. Engaging with the farm staff further enriched the student's learning experience, leaving them with a newfound appreciation for this educational opportunity.

JAGGERY AND BROWN SUGAR

The students of the Agriculture Department at BGIET undertook a field trip to a Jaggery and Brown Sugar making farm located in Mastuana Sahib, Sangrur. The purpose of this visit was to provide students with firsthand exposure to the operations of the agro-industry, thereby enabling them to envision themselves as future industry professionals. Organized by BGIET Campus on February 22, 2023, the trip aimed to equip students with practical knowledge and skills essential for their transition into the workforce. The primary objective of the visit was to familiarize students with the intricate production processes involved in the manufacturing of jaggery and brown sugar from sugarcane. The Farm's supervisor extended a warm welcome to the students and provided comprehensive insights into the farm's operations, including cultivation, processing, packaging, and quality control procedures. Engaging with the farm staff further enriched the students' understanding of the industry, garnering appreciation for this invaluable educational experience.

Many of life's failures are people who did not realize how close they were to success when they gave up.

Thomas A. Edison

FLOWER SHOW

The students from the Agriculture Department of BGIET were afforded the privilege to attend the 25th Annual Flower Show 2023 at PAU Ludhiana. This visit, meticulously organized by the BGIET campus on March 1st, 2023, was led by the Head of Department, Mr. Gurpreet Singh, accompanied by other esteemed faculty members. The primary objective of this excursion was to provide students with practical insights into the technological advancements in floriculture. Through this experience, students were exposed to innovative methods and techniques employed in the cultivation of floriculture products. Such initiatives serve to enrich students' understanding of contemporary agricultural practices, thereby enhancing their academic and professional development.

Education is the most powerful weapon which you can use to change the world.

Nelson Mandela

WOMEN'S DAY CELEBRATION

“Women are the real architects of the society”

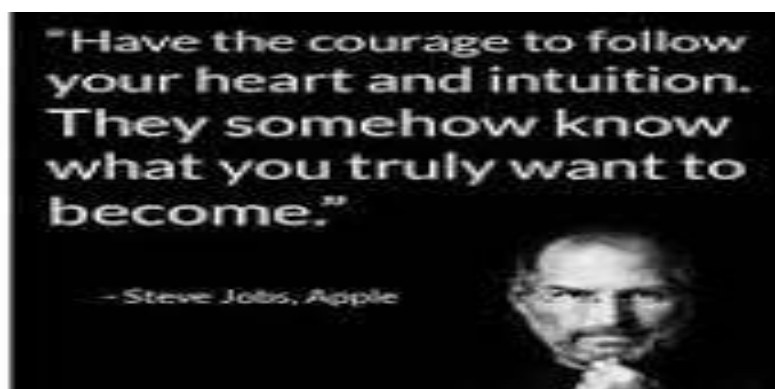

The International Women's Day was commemorated at BGIET, Sangrur, in partnership with HomiBhabha Cancer Hospital, Sangrur, on March 10th, 2023. The theme of this year's International Women's Day, "Accelerating Equality and Empowerment," underscored the significance of gender parity and women's advancement. Esteemed professionals including Dr. Jasjit Singh, AMS, Dr. Vandita Pahwa, Preventive Oncology, Dr. Gurwinder Kaur, Medical Officer, Mr. Prithvi Raj Kadam, Co-Investigator, Ms. Amandeep Kaur, Staff Nurse, and Mr. Sukhjeet Singh, Field Investigator from HBCH, actively engaged in the event. Through their presentations on Cancer awareness, Prevention, and early detection, they imparted valuable insights to the students, contributing to their education and awareness on these crucial health matters.

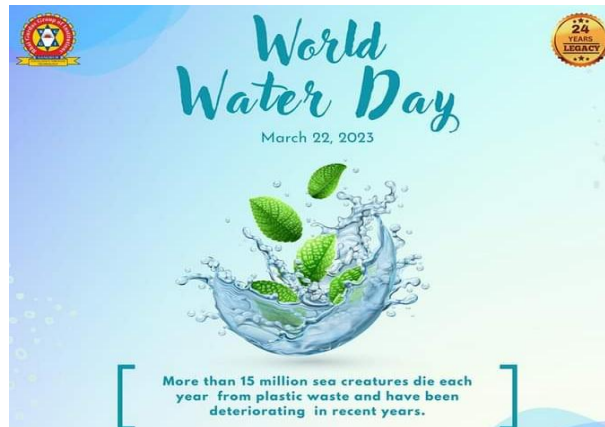

TOPPERS OF BGIET

We take great pride in the consistent academic achievements of the students at BGIET, as evidenced by their exceptional performance in the results declared by PSBTE & IT Chandigarh each year. These accomplishments not only enhance the reputation of BGIET but also reflect the dedication and excellence demonstrated by our students. Those who achieve the highest academic honors are individuals of outstanding merit, who exhibit exemplary conduct and leadership both within and beyond the campus environment. Join us in celebrating the achievements of the top-ranking students from BGIET Sangrur.

WORLD WATER DAY

World Water Day is observed annually on March 22nd, serving as a platform to highlight the significance of freshwater and promote the sustainable management of water resources. The day underscores the imperative to address the global water crisis and aligns with the Sustainable Development Goal (SDG) 6, which aims to ensure access to clean water and sanitation for all by the year 2030. Through concerted efforts and collective action, World Water Day seeks to advance solutions to the challenges surrounding water scarcity and quality, thereby fostering a more sustainable future for all.

"I think it is possible for ordinary people to choose to be extraordinary"

boredpanda.com

TREE PLANTATION

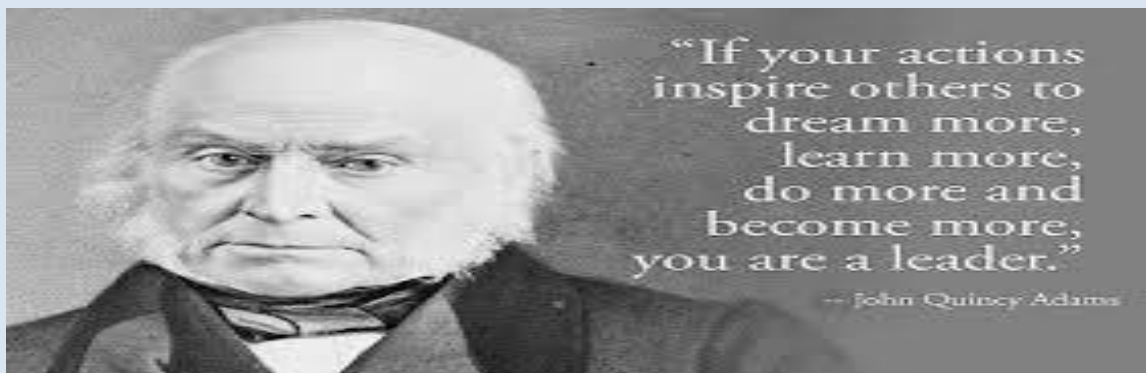

It was a significant day for BGIET as we had the privilege of hosting the National Board Accreditation (NBA) Expert Team at our institute. The objectives of this initiative were twofold: to augment the tree cover on our campus and to raise awareness among students about the importance of trees. Students received detailed information about various tree species, including their names, types, flower colors, blooming seasons, and the necessary care procedures. Honorable Chairman, Dr.Guninderjit Singh Jawandha, and (Professor) Dr.Tanuja Srivastava extended a warm welcome to the NBA team. Together with officials and faculty members, they conducted a tree plantation ceremony, emphasizing the significance of tree planting in safeguarding future generations and promoting environmental sustainability in India.

EDUCATIONAL TRIP

The Department of BGIET at Bhai Gurdas Institute of Engineering and Technology organized a one-day Educational Trip to Chandigarh. During the trip, students had the opportunity to visit several notable sites including ChattBir Zoo, Rock Garden, Japanese Garden, Gurudwara Nada Sahib, and Mansa Devi Mandir. This excursion provided students with valuable insights into wildlife conservation and community service initiatives. The trip proved to be highly educational, offering students a comprehensive learning experience.

SHINNING STARS

STUDENTS OF BGIET SECURED 100% RESULTS

We are proud! Every year the students of BGIET add glory to its name by bringing out the best results declared by IKGPTU Jalandhar. The students of BGIET have always left an imprint in the field of education and other activities. Meet the Toppers of BGIET!!

Toppers of BGIET

Riya who got first position with 8.74 SGPA, Manpreet Kaur who got Second position with 8.35 SGPA, Manraj Singh with 8.22 SGPA, Monia Bansal with 8.22 SGPA, Ravinder Singh with 8.22 SGPA got 3rd positions and Harpreet Singh with 8.09 SGPA has got Fourth position.

Toppers of B.Tech(CSE) 3rd Semester

Congratulations Janvi who got 8.33 SGPA, Shubha Pandey got 8.14 SGPA, Ravinder Kaur got 8.14 SGPA and Priti got 8.10 SGPA.

Toppers of B.Tech(FT) 7th Semester

Simranjeet Kaur has got 8.61 SGPA, Mandeep Kumar got 8.61SGPA, Navjot Kaur got 8.39 SGPA.

Toppers of B.Tech(Civil Engineering) 3rd Semester

Manpreetkaur got 1st Position with 7.87 SGPA, Ramandeep Singh got 2nd Position with 7.83 SGPA.

Toppers of B.Tech(Civil Engineering) 5th Semester

All the branches of B.Tech have got 100% result. Students of B.Tech(Civil Engineering) Saurav Prakash got 1st Position with 8.35 SGPA, Shubham Sharma got 2nd Position with 7.22 SGPA, Shahbaz UL Rashid got 3rd Position with 7.17 SGPA.

Toppers of B.Tech(Civil Engineering) 7th Semester

Sanjay Kumar Yadav got 1st Position with 8.33 SGPA, Yadwinder Singh got 1st Position with 8.33 SGPA, NeezanGaffar got 1st Position with 8.33 SGPA, KartikGoyal got 2nd Position with 8.21 SGPA and Shainborlang got 3rd Position with 8.08 SGPA.

Toppers of Allied Health Science

The meritorious students of the third semester Aritrajit Gupta has got 8.67 SGPA, SajidSareer has got 9.00 SGPA, Deeptangsu Nayak has got 9.32 ,Jasmeen Kaur has got 8.86 SGPA, Last but not the least Ramandeepkaur has got 8.08 SGPA. All the branches of BGIAS have got 100% result in third semester.

On this proud moment Honorable. Dr. Guninderjit Singh Jawandha, Chairman BGIET congratulated the student & staff for their untiring efforts for the success of students, and motivates them with their inducing words on importance of hard work and assiduity. Dr. Suvreet Kaur Jawandha, Managing Director & Executive member congratulated the winners and she praised the efforts of the meritorious students for their outstanding performance and said we are so proud of our students. Dr (Prof.) Tanuja Srivastava, Campus Director, BGIET were pride ridden and felicitated the meritorious students for scoring top positions in the examination.

ATHLETIC MEET

The BGIET Annual Athletic Meet 2023 commenced with a spirited March Past, led by our talented students representing various departments. Esteemed dignitaries, including Dr. Guninderjit Singh Jawandha, Chairman of BGIET, and Dr. Suvreet Kaur Jawandha, Managing Director & Executive Member, extended their salute to the March Past, instilling a sense of respect and enthusiasm for the forthcoming athletic event.

Our athletes embarked on a tour of the BGIET campus, brimming with excitement as they embraced the spirit of sportsmanship. Warm wishes were conveyed to all participants by Dr. Guninderjit Singh Jawandha and Dr. Suvreet Kaur Jawandha. The presence of Chief Guest Mr. JitendraJorwal (IAS, Deputy Commissioner) Sangrur, Professor Dr. Tanuja Srivastava, Director of BGIET, and Mrs. Baljinder Kaur Jawandha, Secretary of BGIET, further enriched the event.

The Chief Guest encouraged participants to engage in various games with utmost energy and zeal, inspiring them to excel. Participants received commendations for their outstanding performances. Certificates, medals, and trophies were distributed by the Chief Guest and dignitaries, underscoring the significance of the Annual Athletic Meet in showcasing the talent of the BGIET campus. Bhai Gurdas Institute of Engineering & Technology (B.G.I.E.T), Sangrur secured the first position in the event. Congratulations to all the team members of B.G.I.E.T Here are some vibrant glimpses from BGIET's Annual Athletic Meet, igniting our spirits with fervor.

PLACEMENT

Twelve outstanding students of BGIET have secured positions in the top five renowned companies. Despite changing industry trends, BGIET maintains its record of exceptional placements. Notable companies such as Oswal Group, Omninos Solutions, Hector Beverages, Sensation Software Pvt. Ltd., and Anytech Solutions conducted recruitment drives at Bhai Gurdas Group of Institutions, selecting 12 students who achieved success with a package of 4.5 Lacs per annum. Bhai Gurdas Group is committed to transforming the lives of its students by continuously organizing placement drives on campus. These drives were open to students pursuing B.Tech (CSE/ECE/CE/FT), MBA programs. Selections were made based on various parameters, including a written aptitude test and group discussions on general and technical topics. The placement drive spanned four days, from April 18th to April 21st, 2023. The confirmation from these companies has opened new avenues of success for the selected students, who expressed their gratitude towards the Group's placement initiatives. Company officials were impressed by the students' comprehensive knowledge, acknowledging the institute's significant contribution to promoting technical education nationally.

Dr. Guninderjit Singh Jawandha, Chairman of BGIET, congratulated the selected students, emphasizing the institution's dedication to providing the best placements through hard work and innovative thinking. Dr. Suvreet Kaur Jawandha, Managing Director and Executive Member of BGIET, echoed the sentiment, stressing the importance of hard work for future success. Professor Dr. Tanuja Srivastava, Director of BGIET, advised students to focus on their life goals and prepare diligently for such opportunities to ensure success in every interview.

SHAM-E-RUKHSAT

BGIET hosted "Sham-E-Rukhsat 2023," a Farewell Party at the BGIET campus on May 9th, 2023, bidding farewell to our graduating students with the hope of reconnecting in the future. The event commenced with the Deep Jagran Ceremony, led by esteemed Chief Guests and dignitaries including Mrs. Baljinder Kaur Jawandha, Secretary of BGIET, Dr. Guninderjit Singh Jawandha, Chairman of BGIET, and Professor Dr. Tanuja Srivastava, Director of BGIET. Cultural performances by students from various countries followed, along with a lively Rock Music Concert by Mastikhor Band, uplifting the spirits of all attendees.

Dr. Guninderjit Singh Jawandha, Chairman of BGIET, and Dr. Suvreet Kaur Jawandha, Managing Director & Executive Member of BGIET, extended their best wishes to the students for a happy and successful future, emphasizing that every end marks the beginning of a new journey. Professor Dr. Tanuja Srivastava, Campus Director of BGIET, highlighted that while the farewell signifies the transition to a new phase of life, it also serves as a celebration of cherished memories and wished the students luck in their future endeavors.

POOL CAMPUS PLACEMENT

POOL CAMPUS PLACEMENT DRIVE 2023 AT BGGI

STUDENTS PLACED IN

- YOKOHAMA TYRES
- CEAT TYRES Pvt.Ltd.
- SWARAJ AUTOMOTIVE Ltd.
- FIEM INDUSTRIES Ltd.
- MOTHERSON SUMI AUTOMOTIVE

RESULTS

54 SELECTIONS

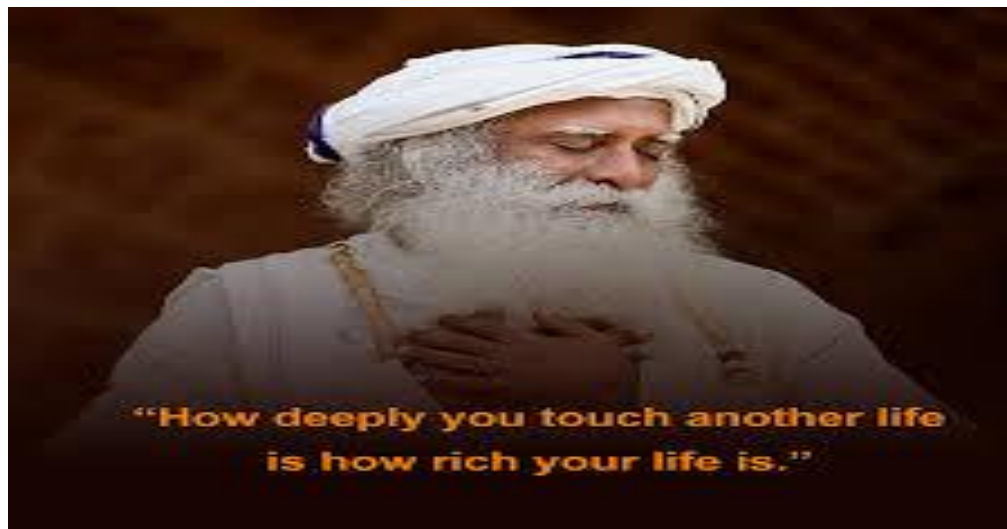

Our students are poised to embark on promising professional journeys at world-leading companies such as Yokohama Tyres, Ceat Tyres, Swaraj Automotive Ltd., Fiem Group, and Motherson Sumi Group, offering lucrative packages. This Pool Placement Drive took place at the BGIET campus on May 11th, 2023, resulting in the selection of 54 students. Bhai Gurdas Institute of Engineering and Technology, Sangrur, is committed to transforming the lives of its students with continuous placement drives on campus. These placements were open to students specializing in CSE/ME/EE. Selections were based on various parameters, including a written aptitude test followed by group discussions on general and technical topics. The confirmation from the companies signifies new avenues of success for the selected students. Company officials, including HR representatives Mr. Chander Mohan and Mr. Kaushal, were impressed by the students' overall knowledge.

Dr.Guninderjit Singh Jawandha, Chairman of BGIET, and Dr.Suvreet Kaur Jawandha, Managing Director & Executive Member of BGIET, congratulated the selected students, emphasizing the institution's commitment to providing hands-on education and deep industry exposure, ultimately leading to life-changing placement opportunities. Professor Dr.Tanuja Srivastava, Director, also extended congratulations, urging students to focus on their life goals and highlighting BGIET's dedication to providing the best placements through hard work and innovative thinking.

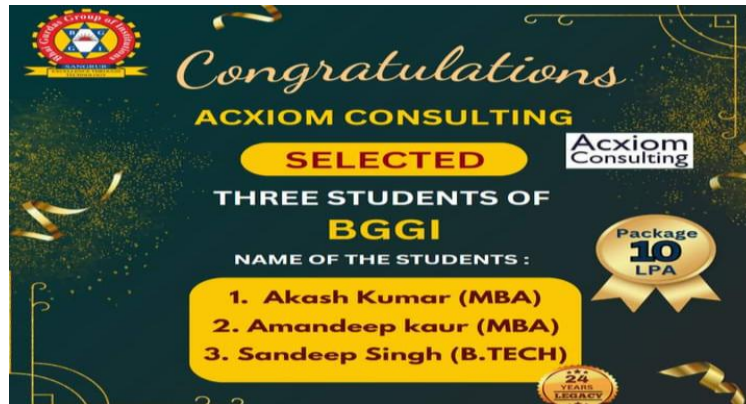

WORLD ENVIRONMENT DAY

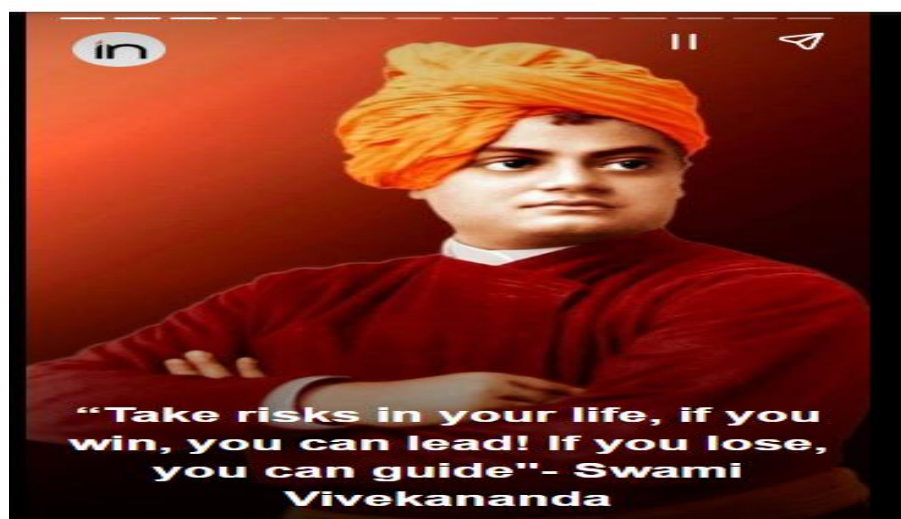

BGIET celebrated World Environment Day, emphasizing the significance of environmental conservation. Through various activities and initiatives, students and faculty came together to raise awareness about environmental issues and promote sustainable practices. From tree planting to awareness campaigns, the event aimed to inspire positive action for the protection of our planet. With a focus on fostering a culture of environmental responsibility, BGIET reaffirmed its commitment to preserving nature for future generations.

PLACEMENT

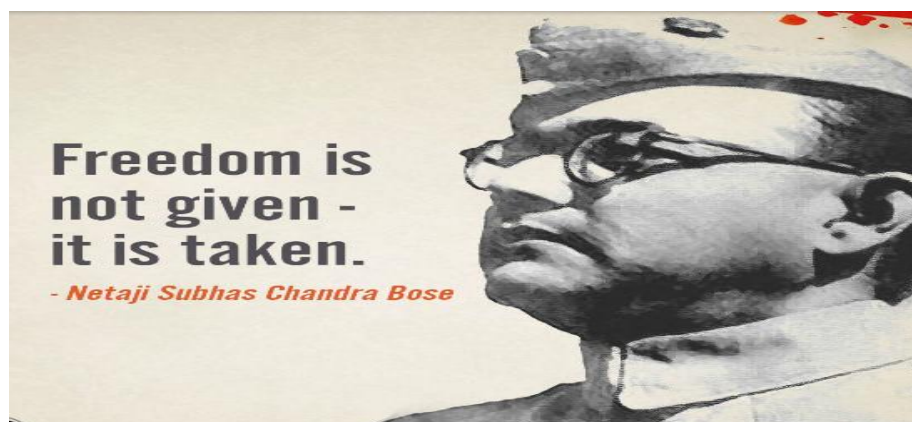

BGIET take immense pride in announcing that three of our proficient students have been selected for employment at Acxiom Consulting@10LPA on July 7, 2023, a renowned and esteemed company in the industry. Acxiom Consulting, renowned for its dedication to excellence and innovation, provides a prestigious platform for our students to launch their careers. This achievement stands as a testament to the rigorous academic curriculum and holistic development offered at BGIET College, which prepares students for real-world challenges and opportunities. Dr. Guninderjit Singh Jawandha (Chairman BGIET) and Dr. Suvreet Kaur Jawandha (MD & Executive Member BGIET) extend their heartfelt congratulations to the three students who have secured this remarkable opportunity. They also express gratitude to the faculty and staff of BGIET College for their integral role in nurturing these students and providing them with the guidance and knowledge essential for their success. Professor Dr. Tanuja Srivastava (Director of BGIET) also extends her congratulations to the students and wishes them a rewarding and fulfilling journey ahead in their careers at Acxiom Consulting.

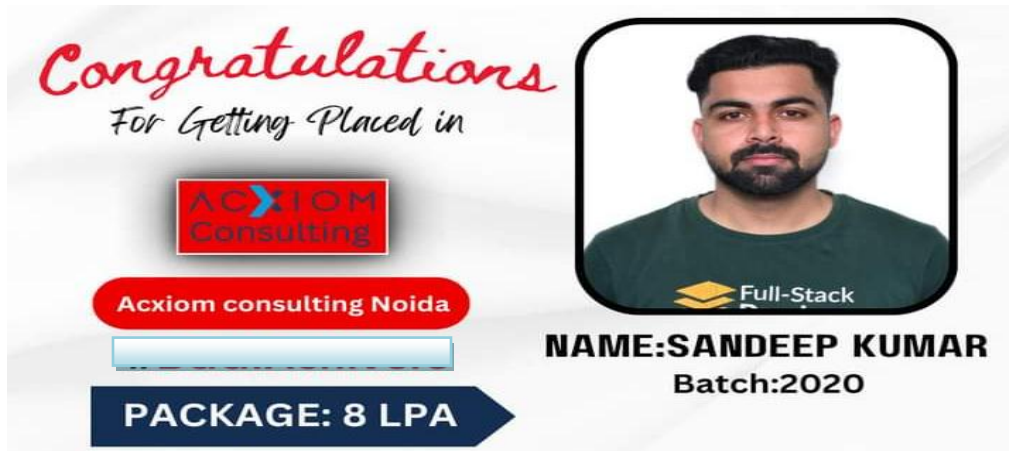

ALUMNI MEET 1.0

Experience the nostalgia of the 2022 reunion, where the campus was brimming with genuine joy and camaraderie, evident in the smiles, laughter, and heartfelt conversations. Alumni congregated in a warm and jubilant reunion to reminisce about their time at BGIET. The Alumni Meet served as a platform to reconnect with former students and celebrate their diverse accomplishments and successes. Commencing with a welcoming address by the alumni association president, the event was graced by the presence of Chairman Dr. Guninderjit Singh Jawandha. Alumni actively engaged with current students, offering motivational insights on pursuing further studies and navigating career placements. BGIET plays a pivotal role in shaping the lives of its students, imparting them with both theoretical knowledge and practical skills essential for a prosperous future. The Alumni Association Secretary extended gratitude to the event's organizers and participating alumni members.

PLACEMENT

BGIET holds excellence as its norm and diligently works in every possible manner to provide fruitful results. Here is the briefing about Mr. Sandeep Kumar who grabbed a wonderful package of 8 LPA by getting placed in Axiom Consulting Noida which is an eminent firm. We wholeheartedly congratulate our young champ from batch 2020 for his glorious achievement and we are sure that he will act as source of inspiration for all. At BGIET, our commitment to excellence drives every aspect of our operations, ensuring favorable outcomes for our students. We are delighted to highlight the success of Mr. Sandeep Kumar, who recently secured a prestigious position at Axiom Consulting Noida, boasting an impressive package of 8 LPA. We extend our heartfelt congratulations to this accomplished individual from the 2020 batch, confident that his achievement will serve as a beacon of inspiration for current and future cohorts. What sets BGIET apart? Our institution is distinguished by:

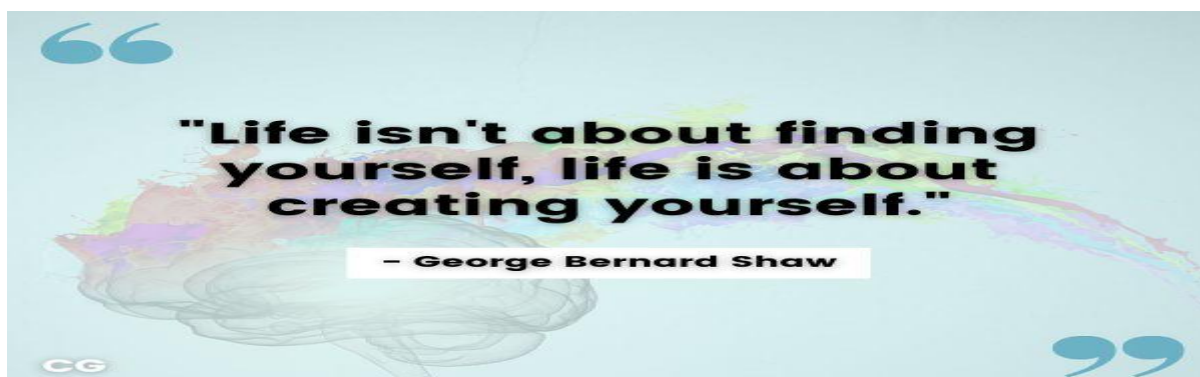

- Exceptional educational standards.
- State-of-the-art infrastructure.
- Supportive and welcoming environment.
- Emphasis on safety and well-being.
- Holistic development of our students.

SHINNING STARS

The journey to achievement is reliant on diligent effort, yet the role of a reputable institution cannot be overstated. We proudly introduce our exceptional achievers from the Mechanical Engineering department, who have attained an outstanding CGPA of 9. Here's why our esteemed institute stands out:

- BGIET boasts world-class infrastructure.
- Our curriculum emphasizes hands-on practical learning across all domains.
- Students thrive in a competitive academic environment.
- Our faculty comprises experienced and highly qualified professionals.
- We employ advanced teaching methodologies to ensure comprehensive learning experiences.

PLACEMENT

Congratulations
For Getting Placed in

ACXIOM
Consulting

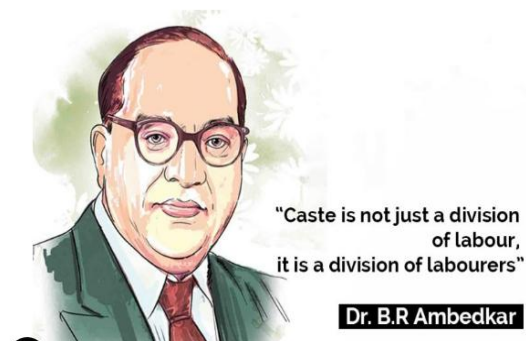

Acxiom consulting Noida

PACKAGE: 8 LPA

NAME: AMANDEEP KAUR

BGIET consistently upholds its position as a leader in qualitative educational standards and is committed to delivering impactful outcomes. Allow us to highlight the success story of Ms. Amandeep Kaur, a student from the MBA program, who secured a remarkable package of 8 LPA through placement at Acxiom Consulting Noida, a distinguished firm. We extend our heartfelt congratulations to Ms Amandeep Kaur for her outstanding achievement in the batch of 2021, and we are confident that she will serve as a beacon of inspiration for current and future batches alike. The excellence of BGIET is evident through:

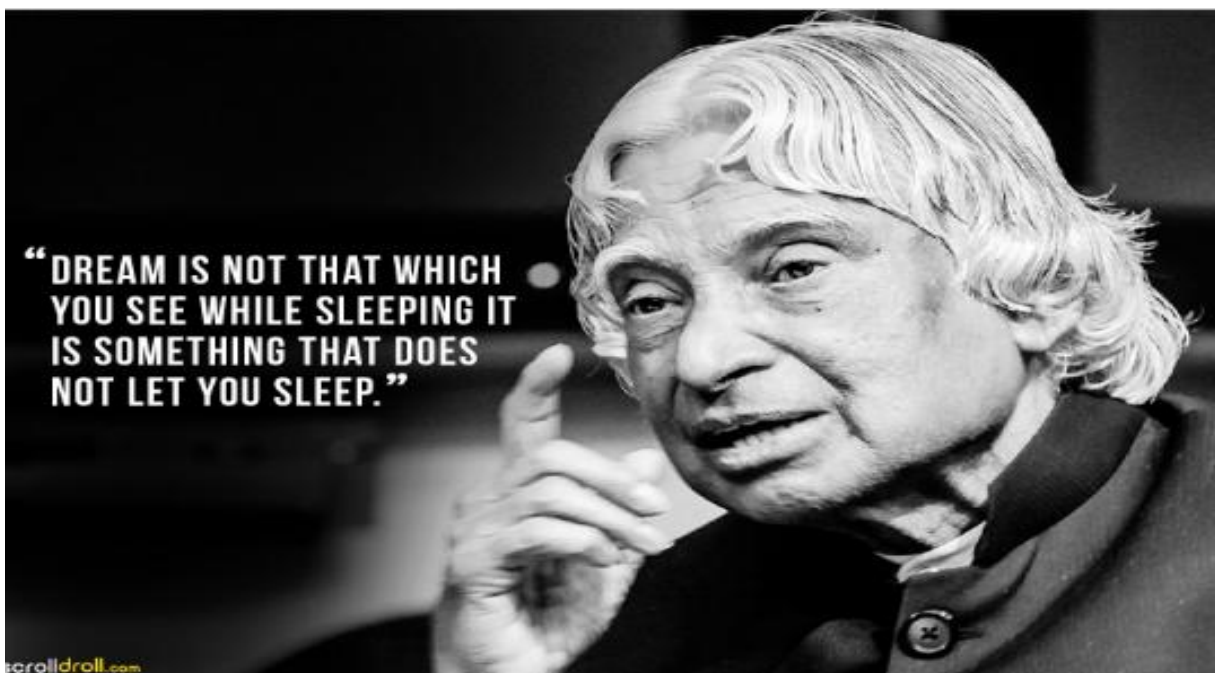

- Exceptional educational standards.
- Comprehensive infrastructure.
- Supportive and nurture.ng environment.
- Ensuring safety for all.
- Emphasis on holistic student well-being.

Academic Triumphs: Celebrating Student Success

Achieving commendable results not only brings pride to families but also reflects positively on educational institutions, underscoring their pivotal role in nurturing students' overall development. We take immense pride in presenting these outstanding achievers, who stand as shining examples of excellence at BGIET. Rishav, with a perfect 10 CGPA in Information Technology, along with others like Simranjeet and Mandeep, who have excelled in their respective fields, exemplify the culture of excellence we foster. Reasons to choose BGIET over its counterparts include state-of-the-art laboratory facilities, a conducive environment for holistic growth, highly qualified faculty members, and comprehensive grooming programs.

INTERNATIONAL YOUTH DAY

International Youth Day, observed annually on 12 August, serves as a platform to address youth-related issues globally and recognize the significant role of youth as contributors to society. The day aims to highlight various cultural and legal challenges faced by young people. Youth are pivotal in driving productivity and progress. On behalf of the entire BGIET community, we extend heartfelt wishes for a prosperous International Youth Day to our dynamic and energetic young minds who embody the spirit of nation-building. Choose BGIET to embark on a journey towards realizing your dreams with enthusiasm and determination.

SHINNING STARS

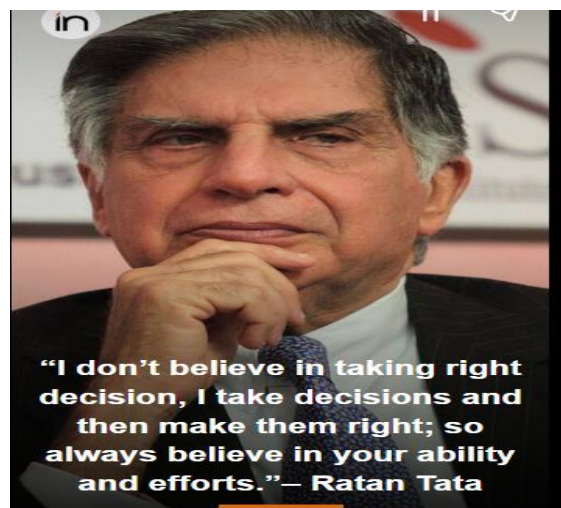

Sandeep Kaur
Branch: Civil Engineering

Rupesh Kumar Yadav
Branch: Mechanical Engineering

If the excellence of an institute is to be gauged, it can only be through the achievements of its students. We take great pride in highlighting the outstanding performance of Ms. Sandeep Kaur (Civil Engineering) and Mr. Rupesh Kumar (Mechanical Engineering), who secured the 13th and 17th positions respectively in the December 2022 PSBTE & IT Chandigarh examinations. BGIET stands out as a frontrunner in the pursuit of excellence for several reasons:

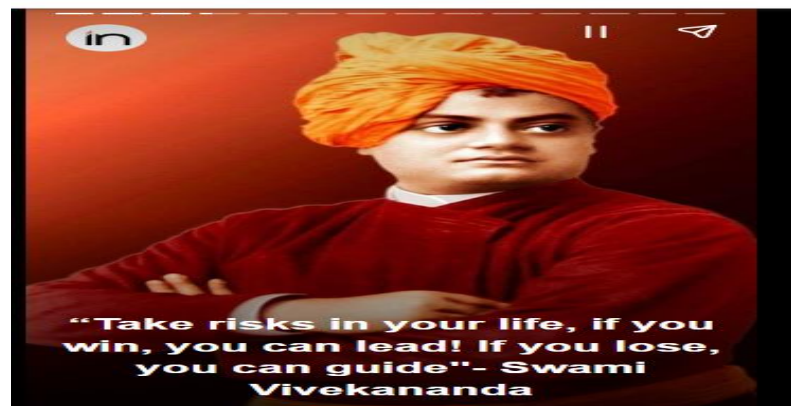

- Our curriculum integrates research-based concepts.
- Personality development classes prepare our students for the corporate environment.
- Our highly competent faculty conducts regular mock interviews, competitions, and assessments.

PRARAMBH

A sense of prosperity, excitement, and renewal permeates our atmosphere as we warmly welcome our new batches on August 21, 2023. This grand event, aptly named 'Prarambh,' signifies a fresh beginning, marking the commencement of our students' academic journey and providing us with another year and opportunity to serve them with utmost dedication. The event commenced with Saraswati Vandana, followed by a variety of cultural performances, and concluded with the national anthem. A talent hunt was also organized, providing both faculty and students with the chance to interact and bond. Additionally, a segment was dedicated to volunteer performances, allowing students to showcase their talents and bolster their confidence. Time is fleeting, but there is still an opportunity to join our esteemed family. Seize this chance promptly, as BGIET offers a world-class environment geared towards holistic development.

ORIENTATION PROGRAMME

Commencing on August 23, 2023, New Beginnings marks a significant milestone, especially when graced by the blessings of Goddess Saraswati. It signifies the auspicious start of the academic journey for our young minds. The Induction ceremony culminated in cultural activities and a vote of thanks. Why choose us?

- BGIET provides world-class infrastructure.
- Our campus fosters a highly amiable atmosphere.
- We boast a faculty of exceptional competence.

Spread love everywhere you go. Let no one ever come to you without leaving happier.

Mother Teresa

NATIONAL SPORTS DAY

Physical fitness is paramount for holistic development. India observes National Sports Day on August 29 annually, honoring the birth anniversary of hockey legend Major Dhyan Chand Singh. At BGIET, we prioritize every facet of personal growth. Ensuring the physical and mental well-being of our students and faculty is our utmost priority, hence, we celebrate National Sports Day with great zeal and enthusiasm. Our campus offers ample space for various sports activities, including badminton courts and other athletic venues. Join us on the journey toward holistic fitness

“All Birds find shelter during a rain.
But Eagle avoids rain by flying above
the Clouds.
Problems are common, but attitude
makes the difference!!!”
— APJ Abdul Kalam

TEACHER'S DAY

The celebration of Teachers' Day on September 5th, 2023, at Bhai Gurdas Group of Institutions holds special significance as we honor the dedicated educators who mold the future generation. This occasion is a heartfelt expression of our deep appreciation and reverence for their unwavering dedication to nurturing young minds. The event comprises sincere speeches, cultural performances, games, and the presentation of tokens of appreciation. It serves as a poignant reminder of the invaluable role teachers play in shaping our lives, imparting knowledge and wisdom. At Bhai Gurdas, we recognize and express gratitude for their pivotal role as the guiding pillars of our educational journey, illuminating the path to success.

INDUSTRIAL VISIT

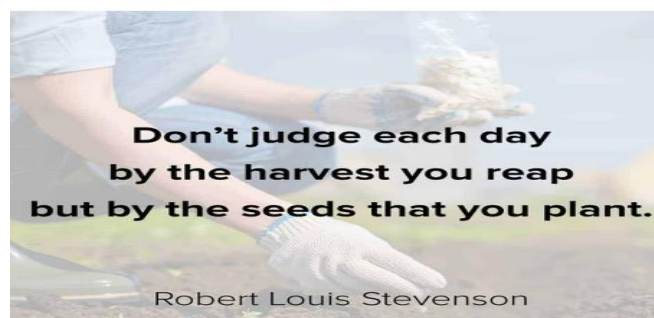

On September 13th, 2023, the Department of Food Technology at Bhai Gurdas Institute of Engineering and Technology (BGIET), Sangrur, conducted a visit to Kandhari Beverage Private Ltd. in Nabipur. The visit commenced with an introductory video showcasing the various departments of the industry, aimed at enhancing students' understanding of beverage industry operations. A comprehensive tour of the facility familiarized students with the tasks performed across different departments. Mr. Jagmohan Singh, the Quality Manager, provided valuable insights into quality testing procedures and processes, fostering a cooperative learning environment. The visit concluded with complimentary refreshments and unlimited cold drinks for students and faculty members. Overall, the industrial visit proved to be an enriching and insightful experience for all participants.

ENGINEER'S DAY

On September 21st, 2023, Bhai Gurdas Group of Institutions celebrated Engineers' Day with utmost enthusiasm, paying tribute to the esteemed legacy of Sir Mokshagundam Visvesvaraya. The highlight of the day was a motivational program conducted by the Brahma Kumaris focusing on "Moral Values and Positive Thinking." Engineers were reminded of the significance of ethical values and a positive mindset alongside technical expertise. This event emphasized our dedication to fostering engineers who not only excel in innovation but also uphold moral integrity, contributing to a brighter future for society. It served as a moment of inspiration and contemplation, emphasizing that engineers serve not only as creators but also as guardians of ethical principles.

ARMAGEDDON 23.0

Bhai Gurdas Group of Institutions (BGIET) organized an exceptional celebration of technological innovation and creativity during 'Armageddon 23.0' on November 9th, 2023. This Tech Fest presented an impressive array of both technical and non-technical events, highlighting the diverse talents of our outstanding students. The active participation of our students was truly remarkable, as their unwavering enthusiasm and exceptional skills ensured the resounding success of every event. The event was graced by the presence of esteemed dignitaries, including our Chief Guest, whose inspiring speech left the audience motivated. Dr. (Prof.) Tanuja Srivastava, Campus Director, shared valuable insights, emphasizing the significance of education and innovation. The event also featured remarkable performances by renowned singers and artists. Ayush Talniya and Mohini Sikarwar captivated the audience with their mesmerizing acts, while popular singer Ninja's electrifying performance elevated the fest's entertainment quotient.

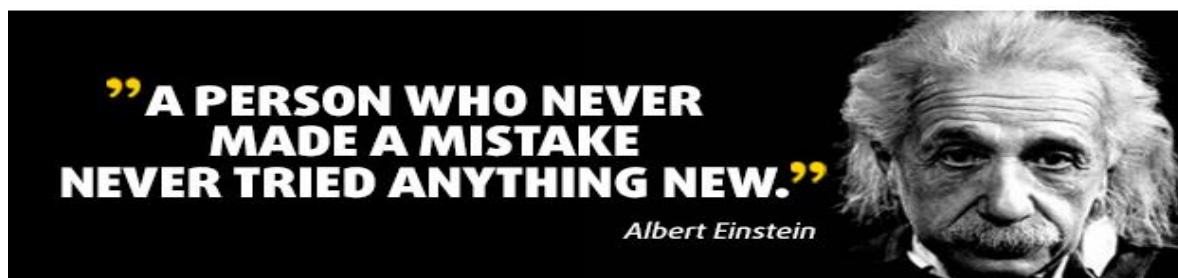

Mrs. Baljinder Kaur, Secretary of BGIET, extended warm greetings and heartfelt wishes for happiness, prosperity, and personal growth. Chairman Dr. Guninderjit Singh Jawandha and Dr. Suvreet Kaur Jawandha (MD and Executive Member, BGIET) blessed everyone, wishing them happiness, good health, and success.

'Armageddon 23.0' served as a remarkable platform for students to showcase their talents, reaffirming BGIET's steadfast commitment to fostering excellence in education and innovation. This tech fest will be remembered as a beacon of talent and innovation, leaving an indelible mark on all participants.

TECH FEST CULTURAL ACTIVITIES

BGIET's Tech Fest was a cultural extravaganza! Students showcased their diverse talents with vibrant performances, including Giddha, Nepali dance, Bhangra, a fabulous fashion show, and energetic Haryanvi dance. The cultural mosaic continued as African students joined the celebration, thoroughly enjoying the lively performances. A true fusion of global cultures, the event highlighted the richness of diversity within our campus. Kudos to all participants for making it a memorable.

11th International Conference

BGIET proudly hosted an esteemed **11th International Conference on Advancements in Engineering and Technology (ICAET-2023)**. This conference was organized by Bhai Gurdas Institute of Engineering and Technology (BGIET) Sangrur, approved by AICTE, and affiliated with IKGPTU University, Jalandhar. This event was presented by the International Society for Technology in Education (ISTE). The conference focused on the latest advancements in engineering and technology, providing a platform for global scholars, researchers, industry professionals, and educators to discuss transformative developments in the field. The overarching theme, "Advancements in Engineering and Technology: Shaping the Future," underscores the commitment to exploring cutting-edge innovations that will define the trajectory of the engineering domain. The conference served as a platform for exchanging innovative ideas, presenting cutting-edge research, and engaging in meaningful discourse on pressing global issues. Renowned academics, researchers, and industry experts convened to explore emerging trends and address challenges across various disciplines. Through keynote addresses, panel discussions, and paper presentations, the conference facilitated intellectual growth and inspired interdisciplinary dialogue. BGIET's commitment to academic excellence and global engagement was exemplified through this enriching and transformative event.

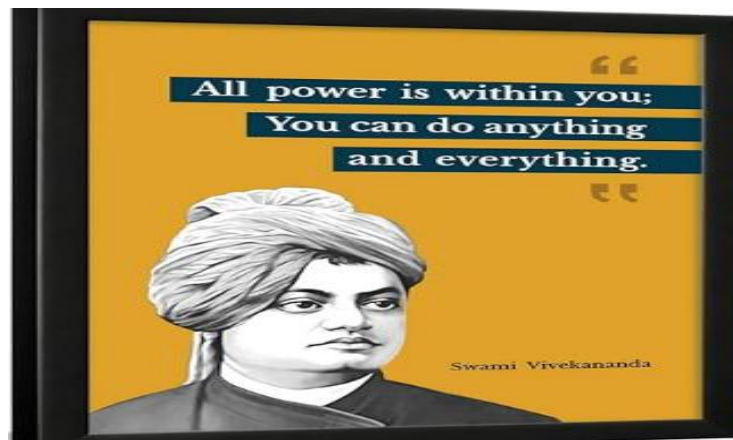

"Life is what happens when you're busy making other plans."

John Lennon

INDUSTRIAL VISIT

An industrial visit was organized for first-year B.Pharmacy students at Zoic Pharmaceuticals. A total of 69 students, along with the Principal and four faculty members, participated in the visit. The Training Manager and officials of the industry provided detailed explanations to our students regarding the various departments including Compounding, Dispensing, and Packaging. The students engaged in fruitful interactions with them, gaining valuable insights into the processes involved. Additionally, the industry representatives briefed the students about the workflow and the Quality Assurance Department. Overall, the visit proved to be highly informative and enriching for both the students and the faculty members.
