## CHAIRMAN'S MESSAGE

Bhai Gurdas Institute of Engineering and Technology (BGIET), shines as a symbol of educational excellence in North India, devoted to catalyzing societal, scientific, and economic progress globally. Committed to academic brilliance and holistic growth, BGIET earns acclaim from both students and society. The institution prioritizes individual excellence, offering diverse scholastic, cultural, and professional activities to mold students into versatile achievers ready for the global stage. Faculty members impart rigorous training in placement, personality development, and communication skills, guiding students towards prosperous careers and futures.

As part of the BGGI community, students thrive in an environment where aspirations are nurtured under exceptional leadership and inspiring faculty. The institution's steadfast commitment to international-quality education ensures students access top-notch opportunities for personal and professional development. With a notable placement record and emphasis on practical skill-building, BGGI remains dedicated to excellence, ensuring students not only excel academically but also flourish in their chosen fields, armed with the tools and knowledge to navigate today's dynamic world.

**Dr. Guninderjit Singh Jawandha**  
**Chairman of Bhai Gurdas Group of Institutions,**

## DIRECTOR'S DESK

Bhai Gurdas Institute of Engineering & Technology has a long legacy in Northern India of imparting education to move from thinking about the greatest problems affecting society to understanding and solving them, and this has been our long-standing vision. We are made of state-of-the-art engineering and scientific infrastructure, cultivating highly motivated teachers and staff members to enable students take advantage of one another's innovations and advance the Institute. This newsletter's launch is the product of your assurance, imagination, and invention. One of the top independently funded colleges in northern India is the BGIET. This is mainly because the college places a lot of importance on the teaching-learning process. Regular visitors to BGIET include thought leaders and speakers from the business world who engage the students. Digital media has grown significantly, as we are all aware. It has created a whole new world of opportunities. I'm happy to see that the team has taken advantage of this trend and effectively tapped into it through the creation of this newsletter. I'm particularly happy that this connection will allow us to build relationships with our alumni, who are making a big difference in the world and helping BGGI become more and more well-known. You are all welcome to participate in the initiative with us. I want to thank the entire team once more and wish them luck in making this a significant step in BGIET's digital transformation. Our goal is to become one of the greatest college for engineering education in the nation by continually enhancing our performance, encouraging brilliance.

**Dr. Tanuja Srivastava**  
Director, BGIET, Sangrur

## HOD MESSAGE

In today's globalized world, education is rapidly evolving due to increased mobility, cross-border knowledge sharing, higher education demand, and emphasis on lifelong learning. Educational institutions like Bhai Gurdas Institute of Engineering and Technology (BGIET) in Sangrur play a pivotal role in this dynamic context. Committed to quality education, BGIET focuses on enhancing students' core competencies, refining communication skills, and fostering ethical awareness. The institution prioritizes student placement, ensuring a hundred percent success rate in facilitating entry into the professional sphere with lucrative job offers. Central to its educational philosophy is the belief in individual development and the pursuit of truth, advocating for free inquiry and intellectual progress. BGIET sees education as a catalyst for societal transformation and national prosperity, striving to create an environment conducive to holistic growth. Its well-equipped campus provides a nurturing space for students to excel and contribute meaningfully to society.

## HOD MESSAGE

Welcome to the Department of Information Technology. Established in 2002, our department endeavors to blend excellence in education with a commitment to serving industries. Our overarching vision is to be recognized as an innovative and leading department in the field of information technology. Our primary objective is to equip students with a well-rounded blend of intellectual and practical experiences that enable them to address a variety of societal needs.

At the heart of our department are hardworking students, a dynamic and youthful faculty possessing expertise across various IT disciplines, and a robust work culture. These elements collectively shape the essence of the Department of Information Technology, serving as the academic nucleus of our institute. With an unwavering belief in our potential for success, we instill in our students an attitude of self-reliance, confidence, commitment, and responsibility to our nation.

The Department of Information Technology is dedicated to shaping careers, enriching minds, and providing an enriching experience that endures a lifetime. I am confident that our students will demonstrate a high level of professional competence in their respective fields and uphold the credibility of our department. I extend my best wishes to all of them for their future endeavors.

**Dr. Ajay Goyal**  
**H.O.D-IT**

## HOD'S MESSAGE

The Department of Electronics & Communication Engineering (ECE) at our institution was established in 2002, representing a significant step forward in our academic pursuits. Anchored by a highly motivated and learned faculty, the department offers both an Undergraduate Program (B.Tech.) and a Postgraduate Program (M.Tech.) in Electronics and Communication Engineering. Through a curriculum that emphasizes practical learning, students are exposed to relevant laboratory exercises and project work, enabling them to develop robust problem-solving skills aligned with industry requirements. Additionally, the department collaborates with industry partners to conduct workshops, expert talks, and training programs, ensuring that faculty and students remain abreast of the latest developments in the field. Central to the department's success is its state-of-the-art infrastructure, which includes well-equipped laboratories and cutting-edge computers with high-speed internet access. These resources, coupled with a dedicated faculty, contribute to a world-class educational experience that prepares students to excel in the dynamic field of Electronics and Communication Engineering. Recognizing the discipline's growing significance across various spheres of human endeavor, the department stands poised to nurture future generations of engineers who will drive advancements and innovation in this rapidly evolving domain.

**Dr. Deepinder Singh**

**H.O.D- ECE**

## HOD'S MESSAGE

The Department of Mechanical Engineering at Bhai Gurdas Institute of Engineering & Technology, Sangrur, established in 2003, offers undergraduate and postgraduate programs aimed at delivering excellence in value-based engineering education. The department boasts a team of qualified faculty members who excel in their respective specialties, enhancing student learning experiences. With state-of-the-art laboratories, students engage in practical learning and cutting-edge research activities. The department's mission focuses on preparing students for successful careers in industry, research, and academia by providing a comprehensive curriculum and hands-on approach. Emphasizing teamwork and leadership, students participate in multidisciplinary projects and extracurricular activities facilitated by professional bodies like SAEINDIA and the Institution of Engineers (India). Through such initiatives, students are equipped with the latest knowledge and skills in mechanical engineering, positioning them for success in the competitive landscape of the field.

**Dr. Parminderpal Singh**  
**H.O.D-ME**

## HOD'S MESSAGE

The Department of Electrical Engineering at BGIET, Sangrur, extends a warm welcome to aspiring engineering students, emphasizing quality education and a strong foundation in fundamental principles. The department is committed to sustainable growth in power, drives, control, automation, and communication sectors, prioritizing academic excellence and innovation. With experienced faculty and modern facilities, students are empowered with the latest teaching aids and encouraged to pursue high-quality research. The department focuses on green technology, promotes independent thinking, and highlights the significance of Electrical Engineering in contemporary society. Promising placement records in various industries make it an excellent avenue for academic and professional growth. The Head of the Department expresses gratitude to stakeholders and emphasizes the role of the department in fostering a dynamic and learning-oriented community. Best wishes are extended to all aspiring Electrical Engineers for success and prosperity.

**Dr. Sushil Kakkar**  
**H.O.D-EE**

## HOD'S MESSAGE

The Department envisions facilitating the student community with high standards and value-oriented traditional teaching, coupled with modern techniques. Our goal is to nurture every student to become a true asset to the Nation and a noble human being on a global scale, equipped with technological versatility. At the Civil Engineering Department of BGIET, our focus lies in fostering analytical and experimental skills among students, enabling them to apply their knowledge across various fields of Civil Engineering using both National and International codes. Furthermore, we provide students with opportunities to enhance their communication and presentation skills, along with proficiency in software applications such as AutoCAD, STAAD PRO, among others. Through industrial training and visits to live construction sites, students gain practical knowledge and a deeper understanding of the field's constraints. It is our moral and social responsibility to impart state-of-the-art technological information to our Civil engineering students, considering the ever-evolving nature of construction methods, materials, and skills.

With a dedicated team of highly qualified and experienced faculty members, we strive to offer an enjoyable and effective learning experience to all our students, ensuring they are well-prepared to meet the demands of the modern construction industry.

**Dr. Dinesh Kumar Sharma**

**H.O.D-Civil Engg.**

## HOD'S MESSAGE

As the Head of the Department of Food Technology, I extend a warm welcome to our dynamic department dedicated to industrial transformation, value addition, and human development. Our comprehensive program delves into various facets of Food Science and Technology, focusing on food composition, nutritional value, microbiological factors, and sensory attributes. We emphasize training in food processing, preservation techniques, safety standards, quality control, sanitation, food laws, regulations, and packaging protocols crucial in the food industry. The curriculum incorporates entrepreneurial and industry-specific insights, integrating the latest technological advancements. Practical learning is prioritized through annual In-plant Training and internship programs across diverse food industries, providing hands-on experience and real-world applications. Our department's objectives center on offering comprehensive subject knowledge and enhancing students' intellectual capacities, enabling them to develop cognitive and transferable skills essential for success in Food Technology.

**Dr. K.K Singh**  
**H.O.D-FT**

## HOD'S MESSAGE

Bhai Gurdas Institute of Engineering & Technology, located in Punjab, stands as a distinguished center of learning where aspiring engineers are nurtured across various disciplines. Engineers, characterized by their proactive nature, do not merely observe—they catalyze change. With innovation, creativity, and a wealth of knowledge, engineering graduates are making significant impacts on the world unlike any other profession. The institute remains steadfast in its mission to shape today's youth into tomorrow's world-class technocrats, committed to enhancing the quality of life for humanity. Rooted in core values, the institute fosters the holistic development of its students, equipping them to thrive and compete at a global level.

I am confident that our students will emerge as valuable assets to any organization, showcasing their technical prowess and making substantial contributions to their respective fields.

## HOD'S MESSAGE

I extend a warm welcome to each of you to the esteemed Department of Management Studies at Bhai Gurdas Institute of Engineering & Technology. Established in 2004, our department stands as a testament to the evolving landscape of business education in the face of the fourth industrial revolution, characterized by the disruptive force of technology. As we embark upon this era, it is imperative that our future leaders possess a profound understanding and appreciation of technology, as it underpins the fabric of modern businesses. The demands of the contemporary global business environment necessitate managers endowed with vision, adaptability, and a diverse skill set.

At the Department of Business Studies, BGIET, we are committed to equipping our students with the requisite knowledge and competencies to thrive in this dynamic landscape. Our pedagogical approach is meticulously designed to align with current industry demands, ensuring that our graduates emerge as adept and successful managers. We employ a multifaceted teaching methodology encompassing case-based instruction, project-based learning, business simulations, experiential exercises, and insights from industry stalwarts and academia. Our overarching goal is to nurture the potential of our aspiring managers and business leaders, preparing them to navigate the complexities of the contemporary business milieu with confidence and acumen.

**Ms. Geetika Garg**

**H.O.D-MBA**

## HOD'S MESSAGE

The Department of Artificial Intelligence and Machine Learning at BGIET stands as a beacon of innovation and excellence in the rapidly evolving fields of AI and ML. As we navigate the complexities of the digital age, it is imperative that we equip ourselves with the knowledge and skills to harness the transformative power of these technologies. Our dedicated faculty and staff are committed to providing a nurturing environment where students can explore the frontiers of AI and ML, engage in cutting-edge research, and develop the expertise needed to tackle real-world challenges. At the Department of Artificial Intelligence and Machine Learning, we strive to cultivate a culture of curiosity, creativity, and collaboration. Through a blend of rigorous academic coursework, hands-on laboratory experiences, and industry partnerships, we aim to empower our students to become trailblazers in the field of AI and ML. Together, let us embark on a journey of discovery and innovation, as we chart new pathways towards a future shaped by the boundless possibilities of artificial intelligence and machine learning.

## INSTITUTIONAL ACTIVITIES

### JASHAN-E-RUKHSAR

The "Jashan-E-Rukhsat" farewell bash at BGGI on April 24th, 2024, was an electrifying event filled with memorable moments. The night dazzled with performances by Jassi Gill, Amarya, Singer Anmol, Singer Shavy Vik, and Ansha, setting the stage on fire with their sensational tunes. Mrs. Baljinder Kaur Jawandha, Secretary BGGI, alongside Chairman Dr. Guninderjit Singh Jawandha and Director Principal Dr. Tanuja Srivastava, inaugurated the festivities with a radiant lamp lighting ceremony, symbolizing the journey ahead for departing students. The evening was a star-studded affair, with students enjoying every moment of the beautiful start night. As the event came to a close, it left behind unforgettable memories and anticipation for the bright futures awaiting the departing stars. Cheers echoed through the night, celebrating the camaraderie and promising paths ahead.

# BHAI GURDAS GROUP OF INSTITUTIONS

## WORLD ENVIRONMENT DAY

World Environment Day is a day dedicated to raising awareness and taking action on environmental issues. It's a reminder for all of us to protect our planet and make sustainable choices. At BGGI, we believe in promoting environmental conservation through education and action. Let's all work together to make a positive impact on our environment WorldEnvironmentDay .

## BLOOD DONATE DAY

"World Blood Donor Day" is an important event celebrated globally on June 14th each year to raise awareness about the need for safe blood and blood products and to thank voluntary blood donors for their life-saving gifts. Blood donation is crucial for emergencies, medical treatments, and surgeries. It's a day to appreciate and recognize the selfless act of donating blood that saves millions of lives every year. At BGGI, we can organize blood donation drives, educate about the importance of donating blood, and encourage more people to become regular blood donors to help those in need. It's a noble cause that truly makes a difference in the world.

## KARGILVIJAY DIVAS

*Dear BGGI Community,*

As we commemorate Kargil Vijay Diwas, let us come together to honor the brave soldiers who fought with valor and dedication during the Kargil War. It is a time to pay homage to their sacrifices and unwavering commitment to our nation's security

On this day, let us remember the courage and resilience of our armed forces who stood strong in the face of adversity to protect our borders. Their selfless service and sacrifices inspire us to uphold the values of unity, patriotism, and national pride.

As a part of the BGGI family, let us express our gratitude and respect to the heroes who defended our nation with unwavering bravery. Let us pledge to carry forward their legacy by fostering a spirit of unity and patriotism in all our endeavors

Warm wishes on Kargil Vijay Diwas from BGGI. May we always cherish and honor the sacrifices of our brave soldiers who ensure the safety and security of our nation.

## LECTURE ON STRESS MANAGEMENT

Just wanted to give a shoutout for the awesome stress management lecture we had at our college. It went so smoothly, and I genuinely appreciate all the hard work put in by everyone involved to make it happen. It was such a valuable session, and I'm grateful for the opportunity to learn more about managing stress effectively.

Big thanks to all the members who contributed to the success of the event and made it enjoyable for everyone. Looking forward to more insightful sessions like this in the future.

Calm is  
a super power.  
Don't let stress  
kill your  
happiness.

## ORIENTATION

### Freshers Batch 2024-25

Orientation program organized for new students in Bhai Gurdas group. An orientation program was held for the new students taking admission in 2024 session at the main auditorium of Bhai Gurdas Group of Institutions Sangrur, a renowned educational institution of Malwa region. Newly admitted students of Engineering, Management, Polytechnic, Allied Science, Degree and Pharmacy Colleges participated enthusiastically in a packed auditorium. It was started by lighting candles by the campus director, principals of various colleges and heads of departments. On this occasion Dr. Tanuja Srivastava, Campus Director, Bhai Gurdas Group welcomed the new students. In this effective program, the new students were brought face to face with the officials and teachers of the institution. Along with congratulating the new students, a motivational lecture was given to the students by Mr. Somiraun Mitra who arrived from Hoping Minds Mohali as a special speaker. On this occasion, Dr. Brahmakumari's sister arrived from Brahmakumari's Ashram. Ramaji, MD, DNB Ex-Associate Professor, Rajindra Hospital Patiala conducted a special session on staying stress free by doing meditation along with professional studies. On this occasion, a wonderful cultural program was organized in which the students of the institute wore colorful colors. In this program, the senior students gave excellent performances and had a great time with their songs. On this occ During a meeting on this occasion, Bhai Gurdas Group Chairman Dr. Guninderjit Singh Jawandha said that our institution is committed to the all-round development of students. He said that felicitating the newly admitted students every year is always an inspiring and memorable moment through which we further strengthen our academic commitment. On this occasion, Madam Baljinder Kaur

---

Jawandha, Secretary of Bhai Gurdas Group also congratulated the organizers and the new students. Dr. Suveret Kaur Jawandha, MD Bhai Gurdas Group also encouraged the staff and students for the success of the program. On this occasion Dr. Tanuja Srivastava, Campus Director, Bhai Gurdas Group also thanked the guests and wished the students a good future.

## Independence Day

On the occasion of India's Independence Day, it's a time to celebrate the freedom and unity of our nation. This day, observed on August 15th, marks the end of British rule in 1947 and the birth of an independent India. It's a day of pride, patriotism, and remembrance of the sacrifices made by our freedom fighters.

As we commemorate this significant day, let us reflect on the values of democracy, diversity, and progress that shape our nation. Let's honor the heroes who fought for our freedom and strive to contribute positively to the growth and development of our country.

# BHAI GURDAS GROUP OF INSTITUTIONS

## Startup

We wanted to share some exciting news with you! BGGI recently organized a highly successful event called "Handholding Startups Through Funding and Showcase" in collaboration with Startup Punjab. The event was a fantastic opportunity for startups to connect with investors, showcase their innovative ideas, and secure funding to help bring their projects to life. It was truly a remarkable event that highlighted the entrepreneurial spirit and creativity of the startup community in Punjab.

## BEST FACULTY AWARD

### Congratulations **BGGI**

### **BGIET HONoured WITH THE BEST FACULTY CHAPTER AWARD BY ISTE**

There was an ambience of celebration at the renowned educational institute BGGI, Sangrur, when the news broke about the announcement of the best faculty chapter award for BGGI during the 53rd annual convention at Bhubaneswar, organized by the Indian Society for Technical Education (ISTE). It is worth-mentioning that this reputed award is conferred for continual academic activities. Bhai Gurdas Institute of Engineering and Technology always keeps making hard efforts for raising its academic standards, by dint of which this institute has received this award. The Campus Director, Dr. (Prof.) Tanuja Shrivastava said that our institute has been conferred this award as a result of the hard work of the teaching staff of the institute.

During a dialogue on the occasion, Dr. Guninderjeet Singh Jawandha, Chairman BGGI, said that we are proud that our institute is marching forward with its academic commitment. The Engineering College of Bhai Gurdas Group has proved it by achieving the reputed honour like NBA. He further said that in the annual national convention, the selection of our institute from among Punjab, Haryana, Chandigarh and Jammu and Kashmir for the best faculty chapter award, further consolidates our foundation. He said that this achievement is a feather in our cap. He expressed his greetings for the Campus Director, Dr. Tanuja Shrivastava and all the faculty of the BGGI. Madam Baljinder Kaur Jawandha, Secretary, BGGI and Dr. Suvreet Kaur Jawandha, MD, BGGI also congratulated the staff for this reputed achievement.

## GANDHI JAYANTI

Happy Gandhi Jayanti to all of you from BGGI family! ✨

On Bapu's birth anniversary, let's remember and imbibe his teachings of Satya and Ahimsa. Gandhi ji's words have left a lasting impact with one of his most favourite quotes being, "Be the change that you wish to see in the world." This phrase motivates individuals to act upon positive change within themselves and their communities.

"May Gandhiji's ideals of unity and harmony prevail in our lives. Happy Gandhi Jayanti!"

**Don't see others doing better than you, beat your own records every day because success is a fight between you and yourself.**

## WORLD PHARMACIST DAY

World Pharmacists' day was celebrated at the Bhai Gurdas College of Pharmacy, Sangrur, Punjab on 25th Sept '2024.

At the beginning of the function Dr. Ajay Bilandi, Principal of pharmacy department presented key notes and discussed various activities organized by the institute on the occasion of World Pharmacist Day.

He explained theme for this year of Pharmacist day i.e. "Pharmacists: Meeting global health needs".

The students and members of faculty then took the Pharmacist's Oath collectively to remind their role towards the society and health care system. To celebrate the day various events like Poster presentation Competition, Pharma Model competition, Pharma Rangoli, & E presentation competition organized in the Bhai Gurdas College of Pharmacy.

Dr. Guninderjit Singh Jawandha Chairman BGGI & Dr. Suvreet Kaur Jawandha MD and Executive Member BGGI congratulates and gave best wishes to pharmacy students.

Dr. (Prof.) Tanuja Shrivastava Campus Director of BGGI emphasized the vital role pharmacists play in healthcare today.

At last Campus Director, BGGI and Principal BGCP initiated the rally with green flag inside the campus.

"No one would starve in independent India. Its grain would not be exported. Cloth would not be imported by it. Its leaders would not use a foreign language and finding justice in it would be neither costly nor difficult."

## ACHIEVEMENT

The Indian Society for Technical Education (ISTE) successfully organized the ISTE Student Convention 2024 on October 17 and invited our honorable Director Prof. Dr. Tanuja Srivastava. This North Section convention included participants from Punjab, Chandigarh, Himachal Pradesh, and Jammu and Kashmir, and was graced by ISTE dignitaries Dr. R. P. Singh SukerChakia (Chairman, ISTE) and Dr. S. K. Gandhi (Secretary, ISTE, Pb., Chd., H.P., J&K).

Prof. Dr. Tanuja Srivastava Campus Director BGGI received ISTE North Section Lifetime Achievement Award 2024 for her extraordinary contributions to education administration, teaching and research in Punjab state. She dedicated her life to the teaching profession and made a real difference throughout her career. She also played a pivotal role in the promotion of ISTE activities. Her commitment to, and passion for education has been exemplary to everyone. This ISTE Section was hosted by Chitkara University Punjab, Rajpura on Thursday 17th October, 2024. Dr. Guninderjit Singh Jawandha Chairman BGGI praised her excellent achievement and said you and your work always stood by the expectations and have a meaningful contribution to the BGGI success. We will appreciate your presence and are proud of you.

**If you can change  
your mind, you  
can change  
your life.**

## MEGAEVENTS

The event begins with the Project Exhibition of different schools. Students from 20 schools of the surrounding had displayed their Science projects. The students' vigor and the competitive spirit in the JAM session of the fate won hearts of the guests. It gives a platform to young brains to showcase their innovative ideas and compete with their peers. The main objective of the program is to promote innovative thinking and practical skills through real life technological projects. Our respected Chief Guest Mrs. Talwinder Kaur (DEO) , Dr. Guninderjeet Singh Jawandha Chairman BGGI, Madam Baljinder Kaur Jawandha Secretary BGGI and Dr. Suvreet Kaur Jawandha MD BGGI, Prof. Dr. Tanuja Srivastava Campus Director BGGI visited on all the stalls and appreciated all the students for their skills and knowledge.

Our bggifamily is embracing the talent of the students at this megaevent.

*"To do the impossible,  
you need to ignore the  
popular."*

## TECH FEST CULUTURAL ACTIVITIES

Armageddon24.O vibes: Let us reminisce about our megaevent of the year in bggi. Our tech fest is an essential part of our campus life that bring students together for a fun-filled event. This tech fest is not only about fun and entertainment, but it also has a positive impact on the campus culture and community building & provides a platform to showcase the unique culture of the Institute. Students can exhibit their talents and skills in various competitions, and cultural events showcase the diverse backgrounds of the students. It helps in fostering a sense of pride and belongingness towards the college. Students performed various cultural performances of their states which shows the diversity of bggi.

Dr.Guninderjit Singh Jawandha Chairman BGGI, Dr.Suvreet Kaur Jawandha MD & Executive Member BGGI, Prof.Dr.Tanuja Srivastava Campus Director BGGI said College fests help in developing leadership and organizational skills, which are essential for future careers. Thus, it is important for colleges to organize such events regularly to foster a sense of pride and belongingness among students and create a vibrant campus culture.

## SEMINAR

BGGI organised Seminar on Personal Hygiene and Diet. The renowned educational Institute of the Malwa region BGGI in collaboration with the PGIMER, Sangrur, organized a seminar to remove misconceptions about personal hygiene and diet among women. The title of the seminar was “Menstrual Distress and its Impact on the Quality of Life among Women in Northern India”. It was inaugurated by the campus director Prof.(Dr.) Tanuja Shrivastava. It was attended by large number of female teachers and students also. Dr. Tanuja encouraged the ladies to be aware of their hygiene and diet. Dr. Ashish Jindal, Dr. Navdeep Kaur and Dr. Anju from the PGIMER imparted detailed knowledge on personal hygiene and diet. They said that we should take care of hygiene and diet in order to avoid ailments like cervical, backache other such diseases. They informed the audience about test facilities and treatments available at the PGIMER.

Dr. Guninderjit Singh Jawandha Chairman BGGI while addressing the gathering said that the doctors threw a lot of light about misunderstandings on personal hygiene and diet. He further added that the audience certainly enhanced their knowledge from the views of the experienced doctors. Dr. Jawandha expressed his wish to organize such programs in future as well. Madam Baljinder Kaur Jawandha Secretary BGGI and Dr. Suvreet Kaur Jawandha M.D. BGGI extended their gratitude towards the team of doctors and greeted the organizers.

# BHAI GURDAS GROUP OF INSTITUTIONS

## BLOOD DONATION CAMP

Bhai Gurdas Group of Institutions (BGGI) a renowned educational institute of the Malwa region in collaboration with Mittal Health Care Blood Centre, Sangrur organised blood donation camp. A large number of teachers, students and the staff of BGGI donated blood in the camp. Its worth mentioning here that total 86 units of blood were donated. The camp began with a wonderful address by the campus director Prof. (Dr.) Tanuja Shrivastava while highlighting the importance of blood donation. She said that blood donation is great as it saves precious lives so we should keep donating blood. She encouraged the staff and the students to donate blood.

Dr. Guninderjeet Singh Jawandha Chairman BGGI while addressing a gathering said that it's a great opportunity for our organization that Mittal Health Care Blood Center organized blood donation camp at the BGGI campus. While thanking Mittal Health Care Blood Center team, he expressed his wish that such events should be organized at BGGI in future as well. Madam Baljinder Kaur Jawandha Secretary BGGI and Dr. Suvreet Kaur Jawandha MD BGGI also thanked Mittal Health Care and Blood Centre team and congratulated the organizers.

# BHAI GURDAS GROUP OF INSTITUTIONS

## SHINNING STARS

Bhai Gurdas Students' Outstanding Performance in University Results. The students of the leading education institute of Sangrur, Bhai Gurdas Group of Institutions, have maintained their lead in the university examination results. 9 students of Bhai Gurdas College have exhibited matchless performance in the results declared by the IKG Punjab Technical University, Jalandhar. Amrinderpal Kaur of M.Tech. Electrical Engg. scored (8.25) CGPA, Sukhmani Kaur of M.Tech. Electronics and Communication Engg. (8.44), Daljit Kumari of M.Tech. Civil Engg (7.47), Priyanka Rani of M.Sc. Chemistry and Sunaina Rani of (8.02) and (8.01) respectively. Similarly, Manisha Rani of M.Sc. Physics (8.27).

These students of BGGI have brought glory to the institute and their parents as well.

Dr. Guninderjeet Singh Jawanda, Chairman BGGI, during a meeting said that the major aim of the BGGI is to provide standardised education to our students. He further added that every year we get the best results by dint of the hard-working staff. The institute always lays stress on multi-faceted development of the students and the institute keeps on taking up necessary activities for this. He said that institute has been showing glorious results for the last 25 years and this expresses the high-class education provided by the BGGI. Madam Baljinder Kaur Jawanda, Secretary BGGI and Dr. Suvrit Kaur Jawanda, MD BGGI congratulate the students and the staff. There was an atmosphere of festival on this occasion. Dr. Tanuja Shrivastava, the Campus Director, said that this is the result of hardwork of students and the teachers. She motivated the students for such results in future as well.
