

BGIET

Department Of Food Technology

Volume 1/ Issue 11

Mission

- To impart basic knowledge in the area of food science, food processing and safety.
- To inculcate in-depth knowledge of Food Engineering and Technology with an ability to analyze, evaluate, design, create and integrate existing and new knowledge.
- To equip and enable students with conceptual, technical and managerial skills to transform the organization and society.
- To serve people, society and nation with utmost professionalism, values and ethics to make development sustainable and quality of life.

Vision

To achieve excellence in quality education, competent technologist, innovation and entrepreneurship that will benefit globally food processing sector and society.

Strength does not come from winning. When you go through hardships and decide not to surrender, that is strength

Don't take rest after your first victory because if you fail in second, more lips are waiting to say that your first victory was just luck.

FROM THE HOD'S DESK

I am happy to note that the Department of Food Technology is releasing its Newsletter enumerating the various activities and achievements of our faculty and students. The department endeavors to produce confident professionals tuned to real time working environment. The department offers excellent academic environment with a team of highly qualified faculty members to inspire the students to develop their technical skills and inculcate the spirit of team work in them.

Dr. Karunakar Singh
HOD

FROM THE EDITOR'S DESK

We are pleased to share with you the second issue of the newsletter for the month of July to December 2024 (2024-25). I would also like to take this opportunity to thank the contributors of the newsletter and faculties for their constant support in making this newsletter a success. We wish to engage and encourage more experts working in the regulatory domain to share their contribution. If you would like to discuss any questions or feedback, please contact the author.

Induction Program

The Institute has been conducting the induction program for students every year. The induction program is conducted at the beginning of each academic session for the all the newly admitted students. The induction program includes several activities such as Mentoring and Universal Human Values: It gets the students to explore oneself and allows one to experience the joy of learning, stand up to peer pressure, take decisions with courage, be aware of relationships with colleagues and supporting staff in the hostel and department, be sensitive to others, etc .and A module in Universal Human Values provides the base for student's character building. A faculty member is allotted to each class, who also acts as a mentor for the students of that class.

Plantation Drive

The true meaning of life is to plant trees, under whose shade you do not expect to sit. The N.S.S camp was organized in BGIET, Sangrur on 15 September 2021. Hon'ble Chairman Dr.Guninderjit Singh Jawandha and Director Dr. Tanuja Srivastava along with other faculty members took part in planting sapling. Dr. Tanuja Srivastava also enlighten the students about the significance of planting trees and with her motivational speech, students of BGIET also promised that they will also plant more and more trees and make this mother nature better place for the upcoming generation.

ARMAGEDDON 24.0

Bhai Gurdas Institute of Engineering & Technology (BGIET) hosted an extraordinary celebration of technological innovation and creativity at 'Armageddon 24.0.' This Tec Fest featured an impressive array of both technical and non-technical events, spotlighting the diverse talents of our exceptional students. The students' participation was nothing short of remarkable, their unwavering enthusiasm and exceptional skills ensuring the resounding success of every event. The event received the honor of esteemed dignitaries' presence, including our Chief Guest, whose inspiring speech left the audience motivated. Dr. (Prof.) Tanuja Srivastava, Campus Director, shared her insights, underscoring the significance of education and innovation. The event also witnessed remarkable performances by renowned singers and artists. Ayush Talniya and Mohini Sikarwar left the audience spellbound with their mesmerizing acts. The excitement soared as popular singer Ninja took the stage by storm, delivering an electrifying performance that had the crowd on their feet, infusing a new dimension of entertainment into the fest.

Teachers Day Celebration

On 5th September 2024, the Food Technology Department at BGiet Sangrur, Punjab, celebrated Teachers' Day with great enthusiasm and reverence. The event took place in the park of the college, where all faculty members, along with the college director, Dr. Tanuja Srivastava, and students, gathered to honor the dedicated teachers who play a crucial role in shaping the future of their students. As a gesture of appreciation, USB gifts were presented to the teachers, symbolizing both respect and gratitude for their continuous support and guidance. The presence of Dr. Tanuja Srivastava added a special touch to the occasion, as her leadership and commitment to education inspire both faculty and students alike. The day was marked by heartfelt speeches, moments of reflection, and a strong sense of appreciation for the invaluable contributions of the teaching staff.

Youth Festival and Lok Mela

Bhai Gurdas College successfully hosted the Youth Festival and Lok Mela in collaboration with Patiala University from September 28 to 30, 2024. The event was a grand celebration of Punjab's vibrant culture and traditions, drawing enthusiastic participation from students, faculty, and the community. Our talented students delivered exceptional performances, including traditional dances, folk songs, and theatrical dramas, leaving the audience mesmerized and proud of their achievements. These performances not only highlighted their artistic skills but also showcased their deep respect for the region's rich heritage.

The event was graced by the presence of Dr. Tanuja Srivastava, Director of BGIET, and the Dean of Patiala University, whose inspiring words motivated everyone to continue fostering cultural and academic excellence. Faculty members played a pivotal role in organizing and managing the event, ensuring its success and smooth execution. The Lok Mela provided an opportunity for meaningful cultural exchange, bringing together students and attendees to celebrate unity and creativity. This successful collaboration marked a significant milestone for Bhai Gurdas College and reinforced the importance of such events in shaping a holistic educational experience.
